FROST BITTEN SAILORS CRY FOR ASSISTANCE

Stranded Vessel Sighted and the Crew Seen Wavering Arms and Clapping Hands in an Effort to Keep Warm

WELLFLEET, Feb. 17.—An unknown square rigged vessel was discovered ashore today near the Cahoon's hollow life saving station. The life savers prepared to put out to her in their boat. There was a strong northwest wind and rough sea.

The vessel which was thought to be an Italian bark struck about 200 yards off shore, a mile and a half south of the Cahoon hollow station. She was sighted at daylight by the beach patrol. A tremendous sea was running before a 30-mile northwest gale.

The life savers from the Cahoon's hollow station under Capt. Tobin and the Nauset crew commanded by Capt. Wilkins joined forces on the beach and sent three lines from the beach gun across the schooner. Those on board made no effort to haul out the breeches

buoy apparatus, and the life savers believed that the men on the bark were so badly frost-bitten that they could not manage the lines.

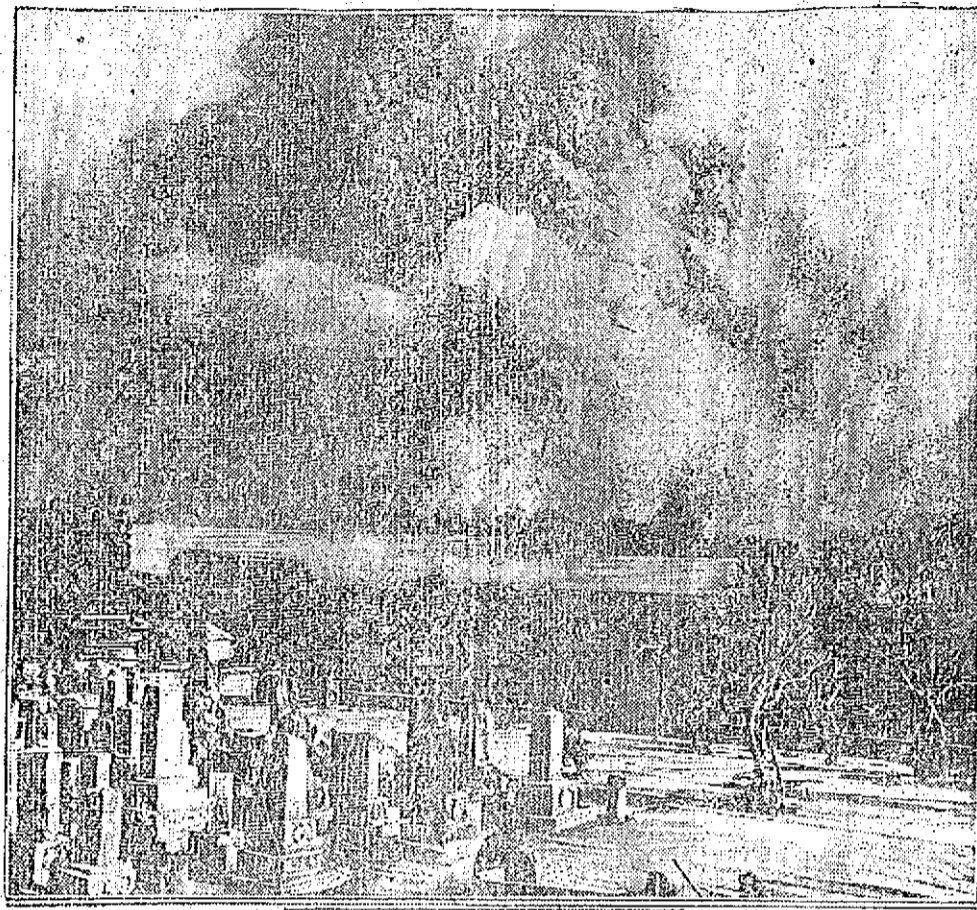

Capt. Tobin attempted to launch his surfboat, but the great breakers thwarted the effort and it was decided to wait until low tide, about 10 a. m., before trying again to board the bark.

The voices of the sailors could be heard plainly on shore as they shouted to the life savers to come to their assistance and the men could be seen running up and down the ship vigorously waving their arms and clapping their hands together in an effort to warm themselves.

Word of the bark's plight was sent to the revenue cutter Gresham at Gloucester and the cutter started at once to aid the stranded craft.

The life savers said that the bark probably struck at high tide about 2 a. m. At that time the wind was blowing a present gale and the air was thick with snow.

VOLCANIC ERUPTION KILLED 80,000 PEOPLE

AT THE HEIGHT OF ERUPTION
© 1914 BY AMERICAN PRESS ASSOCIATION

NEW YORK, Feb. 17.—Photos of scenes attending the eruption of the volcano of Sakurajima, in Japan, have just been received here. They reveal the horrors of the occasion, when flame

and lava wiped out the big city of Kagoshima and killed a total of 80,000 people. The remarkable photo shown herewith was snapped by a daring cameraman of the American Press asso-

ciation, who stood in a Japanese cemetery overlooking Kagoshima watching the terrifying spectacle. Later in the day the spot from which the photo was taken was covered deep with dust and burning lava.

DIVISION 2, A. O. H., CELEBRATES ITS 45th ANNIVERSARY BY MEETING, SPEECHES AND MUSIC

REV. JOHN P. FLYNN, O. M. I.,
R. P. HENRY ACHIN, JR.

JOHN P. SHEAHAN
President

DANIEL J. MURPHY
One of the organizers of Division 2.

The forty-fifth anniversary of the inception of Division 2, Ancient Order of Hibernians, was celebrated in A. O. H. hall last evening with an enthusiasm which lacked nothing either in volume or in fervor. Among the mem-

bers and friends of the organization who attended were a delegation of Hibernians from Concord and Keene, N. H., who having come to Lowell with the Boston & Maine forces at the Biltmore machine shops intend to cast

their lot with the local Hibernians. To these men a rousing welcome was given. The speakers of the evening were Daniel J. Murphy, one of Massachusetts' oldest and most prominent Hibernians, and his wife.

TRIAL OF EX-PRES. MELLON

In Connection With the Westport Wreck is Not Expected to Materialize for a Week

BRIDGEPORT, Conn., Feb. 17.—The trial of Charles S. Mellon, former president of the New York, New Haven & Hartford railroad on a charge of manslaughter in connection with the Westport wreck on Oct. 30, 1912, is not expected to come up for ten days or two weeks. The session of the criminal court

perfor called the defect of which includes this case opened here today but Homer Cummings, chief counsel for Mr. Mellon said he did not expect the case would come before the court in any form at this time. The action of State's Attorney Sides, Jackson yesterday, he said, is to consider the indictment against five other officials of the

company and all but one of the counts against Mr. Mellon made an appearance in court today unnecessary. They were determined, however, said Mr. Cummings that the case should be disposed of at this time of the court. Mr. Cummings said: "We have submitted to postponement of the trial with protests for nearly a year. We now want to dispose of the matter as quickly as possible and I can see no difficulty in disposing of this single case against Mr. Mellon at this time of the court. I have been informed that I shall be notified when the case will be ready but that the full pages on the docket must first be disposed of. It may be two weeks before Mr. Mellon is brought to trial."

The amended petition, I understand, is the same old first count against Mr. Mellon brought over again, so as to have the defendant free from all complications.

SOCIAL AND FRATERNAL
The 42nd anniversary of Catholic colony, United Order of Pluribus, 1872, was observed last evening and despite the unfavorable weather there was a large attendance. The entertainment which was part of an ex-

KING OF BELGIUM WAS THROWN FROM HORSE

Albert I, Broke His Left Arm in Accident While Riding Not Far From the Battlefield of Waterloo This Morning

BRUSSELS, Belgium, Feb. 17.—Albert I, king of the Belgians, broke his left arm today. He was thrown from his horse while riding in the forest of Seignies, not far from the battlefield of Waterloo. His majesty's escape from more serious injury was a narrow one and exaggerated reports of the accident caused much public concern in the Belgian capital. The king's physician, however, allayed anxiety by a bulletin describing the injury and declaring that no grave consequences were likely to ensue.

STEAMERS IN DISTRESS

Violent Storms in North Atlantic Forced Many Vessels to Abandon Trips

QUEENSTOWN, Ireland, Feb. 17.—Such violent storms have prevailed in the North Atlantic during the past week that many passenger steamers and cargo boats unable to battle against the strong winds and high waves have turned round and run for shelter to ports of this side of the Atlantic. The French liner Niagara, which left Havre on Feb. 7 for New York, lost her starboard propeller and crippled also her port propeller soon after she got out and is now crawling slowly back. The big Dutch oil tank steamer Rotterdam when eight days out from Amsterdam on her way to New York lost her rudder and was forced to make for Queenstown in tow

RADIUM PATIENT DEAD

MISS QUAYLE, DAUGHTER OF BISHOP OF QUAYLE, DIED BEFORE FATHER'S ARRIVAL

CHICAGO, Feb. 17.—Miss Margaret Quayle, daughter of Bishop William A. Quayle of St. Paul, died at a hospital here early today while her father was rushing to her bedside on a fast train. Miss Quayle had been in the hospital here for two weeks. She underwent the radium treatment for a growth on her left leg at a Baltimore hospital and was being returned to her home when she became critically ill.

STRIKE DECLARED OFF

WAGE SCHEDULE ADJUSTED AT FALL RIVER MILL TO REMEDY GRIEVANCES

FALL RIVER, Feb. 17.—The strike of 1,000 men in the cordage department of the Pocasset mill was declared off today, the wage schedule being adjusted satisfactorily and the management promises to remedy the grievances regarding working conditions.

FUNERAL NOTICES

PARKER.—Died Feb. 16 in this city, Mrs. Sarah E. Parker, aged 60 years, at her home, 19 Pine street. She is survived by her son, William A. Parker and a sister, Mrs. P. W. S. Luby. Funeral services will be held at 49 Pine street Thursday afternoon at 2 o'clock. Friends are invited without further notice. Burial will be in St. Patrick's cemetery. Undertakers M. H. McDonough Sons in charge.

MURPHY.—The funeral of the late John Murphy will take place on Friday morning from his late home, 31 B street. Funeral mass of requiem will be sung at St. Margaret's church. The time will be announced later. Burial will be in St. Patrick's cemetery. Undertakers M. H. McDonough Sons in charge.

MAHE.—The funeral of the late Mrs. Rose Napp will take place on Wednesday morning at 8 o'clock from the home of her daughter, Mrs. William Buckle, 35 Royal street. Funeral mass of requiem will be sung at St. Patrick's church at 9 o'clock. Undertakers M. H. McDonough Sons in charge.

SARATOGA.—The funeral of Sandra Saratoga will take place Tuesday afternoon at 2 o'clock from her home, 271 Central street. Burial will be in St. Patrick's cemetery. Undertakers M. H. McDonough Sons in charge.

PERISHED IN ALBANY FIRE

Several Residents of Blocks Destroyed Today Are Reported Missing—Loss \$100,000

ALBANY, N. Y., Feb. 17.—One man, perhaps others, are believed to have lost their lives in a fire which started today in the Medwin block, a four-story brick structure in the business section. The fire was still burning at eight o'clock and it may be hours before the ruins can be searched. Several residents of the building are reported missing. The loss is estimated at \$100,000. Five persons were injured, one seriously, when two men leaped from the upper floors. Deep snow drifts seriously hampered

the firemen's efforts. Motor driven apparatus could not reach the fire at all and at times three teams of horses were attached to the heavier pieces.

Albany firemen have responded to 18 alarms since Saturday night, the aggregate loss being about \$500,000. Most of the companies have been on continuous duty for nearly 36 hours, fighting a blaze which started Sunday night and was still burning when the Medwin block was found to be in flames. It is thought an explosion caused today's fire.

IN POLICE COURT

Officer Keeney arrested Gideon Billorey on Central street Saturday night but Gideon pleaded not guilty nevertheless. Gideon informed the court that he wasn't drunk. "All I had," vouchsafed Gideon, "was two whiskies and four or five beers." Judge Enright ordered him to come across with \$5. Sarah Arlin was sent to jail for twenty days on her second appearance for drunkenness within the month. She broke down and cried when sentence was imposed. The defendant appealed. Rachel H. Lyman had her drunkenness case continued until tomorrow. Officer Conroy informed the court that the woman has two small children which are in a pitiful state of neglect and the case was put over so that the humane society may be notified. Henry Fletcher was sent to jail for thirty days on the charge of drunkenness. Martin Gagan was reminded to the sanatorium for three months.

HONOR COL. GOETHALS

GOVERNOR OF PANAMA CANAL ZONE WILL BE AWARDED MEDAL AT BANQUET MARCH 5

WASHINGTON, Feb. 17.—Col. Geo. W. Goethals, governor of the Panama canal zone, will be the chief guest and will be awarded the National Geographic society's medal of honor at its annual banquet here March 5. Secretary Bryan will be toastmaster.

MAN LOST IN FIRE

**3 Injured in Spectacular
Blaze in Boston Build-
ing—Loss \$25,000**

BOSTON, Feb. 17.—In a spectacular two-alarm fire in the six-story building 170 to 122 Lincoln street last night one man is believed to have been burned to death, one policeman, two firemen seriously injured, and three other firemen barely escaped with their lives when they were hurled to the ground by a series of explosions which seemed to shake the building and send the flames shooting high into the air. The property loss was about \$25,000.

The man who is thought to have lost his life is Thomas P. Harvey, 40, a plate printer living at 2 Pleasant street, Charlestown.

He was at work on the sixth floor in the plant of the Elite Engraving Company, with W. J. Fretat, the com-

When Pretal discovered smoke coming from the floors below, he notified fire headquarters by telephone, and sent Harvey downstairs to open the front door for the firemen.

Harvey, who lives at 95 Stockholm street, Dorchester, says that Harvey could not open the door and came up stairs again. Pretal told him to follow him to the fire escape, but Harvey insisted that he should get his coat first. Pretal went out on the fire escape and had just reached the stairway when the explosion occurred. The hot air blowing out the great iron shutters in the rear of the building and sending the flames shooting high in the air. He ran back and called up. Harvey again but could find no trace of him. He then descended to the third floor, where he laid the rest of the descent. He was later placed by the members of the ladder.

The fire, which started on the fourth floor, occupied by Masterson Bros., last makers, and J. E. Peckham & Co., agents, made rapid headway and work-

...its way up into the fifth floor, where
the hot air explosion occurred.

ONE SOUL FOR 2 WOMEN

RS. BATES SAYS THAT IS WHAT
HER HUSBAND TOLD HER WHEN
SHE COMPLAINED

FAVERHILL, Feb. 17.—Mrs. Lerum Bates testifying yesterday against her husband and his "spirit companion," Mrs. Rose Manning, before Judge

son, said that when she spoke to her husband about his relations with Mrs. Manning at the Bates home, she told her that one soul persuaded herself and Mrs. Manning. She told me each was a complement to the other, and in that way we were "same," said Mrs. Bates. This she stated after she had testified that Mrs. Manning and her daughter and the Bates family—herself and children—lived in the same room in a two-story shack at Wood street.

defence was offered. This coming a surprise at the close of the trial. A sensation was caused by the discovery that a brother and a sister of the accused are pressing the prosecution, having engaged a lawyer to assist them.

The months between August and October, while Mrs. Manning was ill, Bates answered her in this manner, when she remonstrated with him about his relations with the woman, testified. Continuing, she said that

the sleeping compartments were the bunks and a couch bed, so that they often occupied the same bed as Manning.

518 LIVES IN PERIL

In Hurricane and Blizzard Which Lashed From Sea—Liner Roma Plunged on Rocky Shore

GAYHEAD, Feb. 17.—In the hurricane and blizzard which lashed inward from the sea yesterday, the Fabre cannery company's transatlantic liner *Alma*, with 415 passengers and crew of 10 men, plunged on the rocky shore of No Man's Land, late yesterday afternoon, and after a terrible six days' struggle with the huge waves and breakers wildly hurling against her, succeeded in backing from her perilous position with the aid of a tug.

The Roma was bound for Providence and New York from Marseilles. Meagre reports reaching through the telegraph for a time gave confused messages about the stricken steamer and for distressing hours, a doubt of a ability to escape from the jagged rocks.

The static conditions were bad and wireless communication which has so often proven the salvation of vessels in distress, for some time were most certain.

Rescue efforts were made by life-savers to respond to the Roma's calls for aid.

Grounds to Storm.

Before hand or mind could move to safety the big craft, had plunged her bow into the shoals on the coast.

How her passengers and crew fared in this moment of peril, is yet unknown and will not be revealed until tomorrow when the vessel docks at Providence.

But the direction of the wind was her immediate salvation for few vessels have escaped from the rocks of the little island with the wind from the south.

Had the wind been other than from

Two radio messages reflected the "bad" outlook. Hans, Augsburg and Kesham, which immediately started to assistance.

Success, however, was delayed by a blinding storm which was borne on wings of the 70-mile-an-hour wind, which made navigation in the vicinity of the forbidding land hazardous.

South of No Man's Land, and off the coast of Western end of the Astoria's Vineyard, the men of the Head life-saving station tried valiantly, but unsuccessfully, to launch a north by easterly direction, miraculously that nothing short of a miracle could have saved the Roma.

It was 4:40 o'clock yesterday afternoon when the first wireless message from the stricken ship was received. It came in French and was not understood until some time later. It read: "The Roma is in danger." It reached the buoy radio station at Newpoint. It read: "Ashore south side No Man's Land. Send powerful towboat with well provided towing material. Impossible for us to get off with own power."

STEAMER ROMA ANCHORED
PROVIDENCE, R. I., Feb. 17.—The steamer Roma, which went aground last night on No Man's land, was reported anchored off Benton's reef this morning. She had a heavy list.

LAWRENCE HIGH BEATEN

Lowell High Defeated Rivals in Dual Track Meet — Captain Bowers Sets up Record

In one of the closest and most exciting dual track meets ever pulled off at the high school annex indoor track Lowell high defeated Lawrence high last night by the score of 13 to 31. The result of the meet depended upon the relay race which was won by Captain Bowers' quartet by nearly half a lap.

All of the events were well contested and in none of them did the winner have a walkaway. Lawrence finished

he had been pushed. Lawrence high also put over a distance man who made a mark in the mile run. Levine, who was running as a teammate to Gaudy, burst into the lead on the fourth from the last lap and from that time until the tape was broken fought it out with Randall of Lowell for first position. The Lawrence boy showed the greater stamina, however, and ran the local athlete off his legs in the last two laps. His time 5 min. 9 sec. was remarkably good when the track features are taken into consideration.

Capt. Burekel a Star
Captain Burekel of the visitors proved himself a wonderful all around athlete by his performances last night. Besides winning the shot put and being first in the high jump, he won the 100 yard dash, the 200 yard dash, the 400 yard dash, the 800 yard dash, the 1600 yard dash, the 3200 yard dash, the 6400 yard dash, the 12800 yard dash, the 25600 yard dash, the 51200 yard dash, the 102400 yard dash, the 204800 yard dash, the 409600 yard dash, the 819200 yard dash, the 1638400 yard dash, the 3276800 yard CAR STRUCK GRAIN SLED

Slight Collision in Dracut This Afternoon — Mr. M. L. Shaw and Small Boy Injured

The grain sled of M. L. Shaw of Dracont was struck by an inward bound Lowell-Nashua electric car of the Day State Street railway this afternoon on Lakeview avenue just above Parker avenue, Dracont, and Mr. Shaw, who was driving the rig, and a small boy who was riding beside him were both injured in the collision. Although the curve and was fairly launched on the downward incline before either the driver of the sled or the boy was aware of its presence. Nothing that could have been done was approved sufficient to check the velocity of the car so that a collision could be avoided and the electric ran down the sled before the horses could draw it clear of the tracks.

Mr. Shaw was taken to his home on

Mr. Shaw, it appears, was driving along the right hand car track when he heard a car coming behind him. He was on the side hill just above Parker avenue and in an endeavor to avoid the car in his rear, crossed over to the left hand track.

There is a sharp curve at this point

The New Boston road by a man in the employ of Oliver Coburn who happened to be on duty at the time of the multiple team. The boy whose identity was not learned, was taken into Merrimack Square by the conductor of the street car. The boy, who is the youngest said that Mr. Shaw was giving him a ride at the time of the accident. It was found that he was more scared than hurt and he was sent home.

Mr. Shaw is at present confined to

The inward bound car swept around

200 MORE FOR CAR SHOPS

Reported at Billerica Today in
Spite of the Storm and Block-
ade of Travel

Nearly 200 additional men, fifty from Concord, N. H., and the rest from Keene, N. H., reported at the Boston & Maine repair shops in Billerica this morning, making the total number of men now employed at the shops nearly 700. The men have all had considerable time to seek information from their friends who have been here a week, while others journeyed to the rooms of the Lovell board of trade. President Williams of the Billerica board of trade also has a list of vacant rooms and a number have applied to him during the past few days.

The men stated that the railroad service between Igarka and Concord was closed Saturday afternoon and that the employees walked the entire distance to this city while others walked to the railroad station and waited for trains to convey them to their homes in this city. They experienced great hardships in the severe storm and many of them felt that the change from Concord and Igarka to Hillierka was a disappointment.

MELLEN AGAIN DECLINES HELD UP BY WOMAN

FORMER PRESIDENT OF NEW HAVEN CANNOT LEAVE BRIDGEPORT, CONN., HE SAYS

BRIDGEPORT, Conn., Feb. 16.—Miss Ethel Francis, a young stenographer, was held up on one of the city's busiest

BOSTON, Feb. 16.—In a letter received by the public service today, Charles S. Mellen, former president of the New Haven road, declined for a second time to appear in connection with the investigation of the road's streets today by Miss Mary McCormick, who at the point of a revolver, demanded money of Miss Francis. Miss McCormick was seized by a passing reporter and turned over to the police. She is about 30 years old. Miss McCormick told the police she had not eaten "for a week" but had saved her

duelity expenses, Mr. Mellen said that instead of parading in public, the connection was via a telephone. Laughed at Bridgeport, Conn., recalled his entire attention.

The commission desired Mr. Mellen's assistance in the form of vouchers to be submitted by the commission and which were made to executive council reporters.

money to buy a revolver to kill "some of these women" whom she did not like to see "walking up and down the street with expensive furs and meshbags. She had no money, she said. She has been placed under observation to determine her mental condition.

HAMILTON MIRA QUITTING

I have little knowledge of the "mystery in question," Mr. Meilen says. "I personally had nothing to do with the way of getting directors or solving reports from those who were employed. Many indeed most of the names are of persons whom I have never met. I have been conversing with the employment of Prof. Meilen and Mr. Wardell and much to

the advertising matter handed over to me and by Mr. Harwood after the advertising is properly arranged to me so far as responsibility is concerned.

Mr. Harwood has testified regarding his employment substantially as I have it.

Practically all the other answers submitted upon I can throw no additional light upon.

They were a part of the expenses, said one of our Boston office men, and were covered by it at all times, but it was not to be made from responsible officials, but paid for by or with personal assurance from someone who knew that the paper and should be paid."

THE BANQUET WAS PROCEEDED BY
THOMAS S. PENDERGAST, AFTER MR.
SHARP'S TALK A FINE CABARET SHOW
WAS GIVEN AND SOME NEW YORK DANCERS
GAVE A DEMONSTRATION OF THE TANGO.

OSPOON, Feb. 16.—Local oil men of the district, who met at the hotel ball in South Lowell, Amherst, were present were J. E. Bazin of Milbury, organizer general and J. M. Dupont, of Nashua, district director general. Those inducted into office were: Henry Albert Amyot, O. M. Champlain, Albert Morin, representative to the executive council; Zotique Sauvageau, president; Arthur Dumont, first vice president; and Edouard Gauthier, second vice president.

anthology Broualt of 7 Hancock bills were dropped two five-dollar bills possible the jewelry store of Francis in Merrimack street, and another on the corner of Long and Washington streets, and he returned to his home. Mr. Riccio later called the owner of the money and he carefully returned the bills to him.

as that amount would represent their wages for a year. If the council should decide to adopt the estimate that does not provide for the ten men and the civil service should say that the men were legally appointed and that they would have to be retained, I would be in a nice box. I am going to get in touch with the civil service commissioners today and tell them it is absolutely necessary that I should know this week, as to the status of the firemen who were last appointed by former Commissioner Barrett."

"Certainly not," replied the witness. The senator said he always told those who came to him for a compromise that it was an infamous lie and that he would see them in — before he would compromise. He said he took no part in the investigation made by the department of justice and denied he had been called as a witness before the senate or that he had talked to the vice president about it.

on Friday we hired extra teams from the street department. Everything would have been lovely but for the storm which arrived on Saturday. This storm put the kibosh on us and for the first time in 30 years ashes were blown over the city. Sunday was a beautiful day, as a rule, however, has been every good thing but the last. Every complaint, but the great majority realize and appreciate the present placement we are in at the present time. The city is starting in earnest to clean the streets and broaden them. The street department is making provisions of the civil service laws and making the necessary appropriation therefor.

Mure Schneid Expensive

Because of alterations ordered to school houses and other public buildings by the state building inspector, the auditor department will be called upon to expend a considerable sum of money outside of the ordinary routine. The inspector has already ordered almost innumerable changes and this

DEATHS

LANARRE—Albin, aged 8 months and 5 days, died today at the home of the parents, Andre and Louise Lanarre, 128 Salem street.

MCCOY—Mrs. Margaret McCoy, widow of the late Joseph McCoy, aged 63 years, died today at the home of her son, John M. McCoy, 100 North Main street.

SYDNEY, N. S. W., Feb. 16.—The strike of slaughtermen, butchers and meat salesmen here has caused an acute meat famine in this city. Even at the restaurants it was impossible today to procure fresh meat and all the butchers' stores were empty. Similar conditions probably will prevail tomorrow in Melbourne, where the

STATE PRINTING COSTLY

Secretary of State's Report Tells the Story—Towns Discard Public Documents

The 22d annual report of the secretary of state, Frank J. Donahue, contains interesting reading and the following appears under the head of "Document Division":

There were printed under the direction of this office, during the year, in the public document series (numbered 1-85 different reports), 225,000 volumes—a decrease of 4500 volumes. Of this number 210,500 were distributed, being supplied to members of the general court, to cities and towns, public offices, libraries and to the general public.

In addition to the public document series there were printed and received for distribution 20,000 copies of the pamphlet edition of the laws; 11,500 copies of the blue book; 13,500 copies of the

Manual for the General Court; 700 copies each of the Senate and House Journals; 16,000 copies of laws relating to elections; 550 copies of the 44th annual report of the department of Massachusetts, U. S. A.; 450 copies each of term reports Nos. 211, 212 and 213; total, 1750 copies; 1000 copies of the records of the Massachusetts militia in the war of 1812-14; 3000 copies of the commission on the support of dependent minor children of widowed mothers (House, No. 2675); 500 copies supplement to revised laws; 650 copies of the "electoral" college; 300 copies of the report of the commission on part-time education; 1500 copies of the cumulative index; 300 copies of the report of Connecticut valley waterway board on an investigation of the Connecticut river; 1200 copies of special laws, Vol. 21; 500 copies of the con-

BEAUTIFUL HAIR—A CLEAN, COOL SCALP

Use Parisian Sage. It Makes the Hair Soft, Wavy, Abundant—Cleanses and Invigorates the Scalp.

It is needless for you to have hair that is anything short of perfect. If it is falling out, losing color, splitting or if the scalp burns and itches, immediately get from your druggist a 50-cent bottle of Parisian Sage. Use it frequently—the first application removes dandruff, invigorates the scalp, and beautifies the hair and it is gloriously radiant.

Parisian Sage supplies hair needs—it is perfectly harmless. It contains the exact elements required to make the hair soft, wavy, glossy, and to make it grow thick and beautiful.

You will surely like Parisian Sage. It is one of the best and most delicate hair tonics known and is always sold with agreement to refund the money if you are not satisfied.

stitution of the commonwealth of Massachusetts; 500 copies of the dedication exercises at the Massachusetts military monument, Valley Forge, Pa.; and 500 copies each of the vital records of Carter, Duxbury, Framingham, Hopkinton, Hull, Newburyport, Salem, Sherborn, Stoneham and Waltham, making a grand total of 304,520—an increase of 3310 over the year 1912—which have passed through the document division during the year.

Towns Discarding Public Documents
Under the provisions of chapter 422 of the Acts of 1908, "An act relative to the distribution of public documents to cities and towns," 12 towns voted during the year not to receive the series of public documents; and upon the recommendation of the commissioner of public records, who reports that, in his opinion, such towns are unable to make suitable provision for the care and use of such documents, this office has during the year discontinued sending them to the following towns: Haver, Blandford, Dartmouth, Haverock, Medford, Nantuxet, Savoy, Scituate, Shutesbury, South Hadley, Sutton and Warwick. These, added to those previously discarding the public document series, make 56 towns to which these books are not sent.

In not sending the above cited chapter relative to a city or town discontinuing the receipt of the so-called public document series is an absurdity. No discontinuing receiving the series, a city or town must, at an annual city or town election, vote not to receive the series, and then the commissioner of public records must report to the secretary of the commonwealth that in his opinion such city or town is unable to make suitable provision for the care and use of such documents. This action by both city or town and the commissioner of public records is necessary before the secretary can discontinue sending the series; so that even if the city or town does not desire such series, it must continue to receive them unless

Backache a Warning You Should Heed

It is One of the First Signs of Kidney Troubles, if Neglected, Serious Diseases Follow

No one can be well and healthy unless the kidneys work properly and keep the blood pure. When they become clogged up and inactive, nature has a way of warning you.

Backache is one of the first symptoms. You may also be troubled with disagreeable, annoying bladder disorders; have attacks of lumbago or rheumatism; become nervous, tired, and feel all worn-out; puffy swellings show under the eyes or in the feet and ankles; and many other symptoms are noticed. If they are neglected, dropsy, diabetes, or Bright's disease which so often prove fatal, may result.

It is not only dangerous, but needless for you to suffer and endure the tortures of these troubles, for the new discovery, Croxone, quickly and surely cures all such misery.

There is no more effective remedy known for the prompt cure of all such troubles than this new scientific preparation, because it removes the cause. It soaks right into the kidneys, through the walls and filters; cleans out the clogged up pores; neutralizes and dissolves the poisonous uric acid and waste matter that lodge in the joints and muscles and causes these terrible rheumatic pains, and makes the kidneys filter and sift the poison out of the blood and drive it from the system.

You will find Croxone different from all other remedies. There is nothing else on earth like it. It is so prepared that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the guarantee price. Croxone should fail in a single case. Three doses a day for a few days is often all that is ever needed to cure the worst backache, relieve rheumatic pains, or overcome urinary disorders.

The commissioner shall make such report to the secretary of the commonwealth. There are undoubtedly many cities and towns which are furnished with this series, at a large annual cost to the commonwealth, which do not desire them, and probably consign them to the junk heap without even opening the covers. I would suggest that the law be amended so that the vote, instead of being taken at an annual city or town election, be taken by the city council, the board of selectmen, or some other local authorities, and that either or not act on their suitable provision for the care of such documents, it need not receive them if the local authorities request the secretary of the commonwealth to discontinue sending them.

Distribution of Documents
I feel that the whole matter of the printing and distribution of public documents should receive the serious consideration of the general court. The law about amended so that any city or town might apply for and receive when published such documents as it desires. Under present conditions, cities and towns do not receive the report volumes until the secretary of the commonwealth has received the reports of the various boards and commissions, and renders the volumes practically useless when received. I recommend a thorough revision of the law relative to the distribution of public documents, and would suggest that the number to be printed be not fixed by law, but be left to the discretion of the secretary of the commonwealth, or to the board of commission making the report in conjunction with the secretary of the commonwealth.

MAN LOST IN FIRE

3 Injured in Spectacular Blaze in Boston Building—Loss \$25,000

BOSTON, Feb. 17.—In a spectacular two-alarm fire in the six-story building 130 to 132 Lincoln street last night one man is believed to have been burned to death, one policeman, two firemen were seriously injured, and three other firemen barely escaped with their lives when they were hurled to the ground by a terrific hot air explosion, which seemed to shake the building and sent the flames shooting high into the air. The property loss was about \$25,000.

The man who is thought to have lost his life is Thomas P. Harvey, 40, a plate printer living at 2 Pleasant street, Charlestown.

He was at work on the sixth floor in the plant of the Elite Engraving Company, with W. H. Pretat, the proprietor, when the fire was discovered.

When Pretat discovered smoke coming from the floor below, he notified the fire headquarters by telephone, and sent Harvey downstairs to open the front door for the firemen.

Pretat, who lives at 96 Stockton street, Dorchester, says that Harvey could not open the door and came up stairs again. Pretat told him to follow him to the fire escape, but Harvey insisted that he should get his coat first. Pretat went out on the fire escape and had just reached the stairway to descend when the terrific hot air explosion occurred on the fifth floor, blowing out the great iron shutters in the rear of the building and sending the flames shooting high in the air. He ran back and called to Harvey again but could find no trace of him. He then descended to the third floor where he made the rest of the descent down a ladder placed by the members of Ladder 18.

The fire, which started on the fourth floor, occupied by Masterson Bros. last makers, and J. E. Peckham & Co. agents, made rapid headway, and worked its way up into the fifth floor, where the hot air explosion occurred.

ONE SOUL FOR 2 WOMEN

MRS. BATES SAYS THAT IS WHAT HER HUSBAND TOLD HER WHEN SHE COMPLAINED

HAVENHILL, Feb. 17.—Mrs. Loral J. Bates testifying yesterday against her husband and his "spirit" companion, Mrs. Rose Manning, before Judge Winn, said that when she spoke to her husband about his relations with Mrs. Manning at the Bates home, Bates told her that one soul pervaded both herself and Mrs. Manning.

"He told me each was a complement of the other and in that way we were the same," said Mrs. Bates. This she stated after she had testified that Bates, Mrs. Manning and her daughter, and the Bates family—herself and five children—lived in the same room in a ten-roomed shack at Ward Hill.

No defence was offered, this coming as a surprise at the close of the trial. A sensation was caused by the discovery that a brother and a sister of Bates are pressing the prosecution, they having engaged a lawyer to assist.

In the months between August and October, while Mrs. Manning was there, Bates answered her in this manner when she remonstrated with him about his relations with the woman. She testified, continuing, she said that their sleeping compartments were three bunks and a couch bed, so that Bates often occupied the same bed as Mrs. Manning.

After hearing the startling story told by Mrs. Bates, Judge Winn said he should have to find Bates guilty of all three counts—adultery, assault and battery and failure to provide for his wife and children. As soon as his announcement was made, however, Judge John J. Ryan, Mrs. Bates' counsel, said he would have to find Bates innocent, and after a conference the judge allowed the case to go over until today when he will make final disposition.

It is understood that Bates will plead today that he is insane and that he will then go committed to the institution. Mrs. Manning, who was yesterday arrested on a statutory charge, probably will then be sent to Sherborn, and her 12-year-old daughter likely will be taken in charge by the state board of charity.

STEAMER ON SHOALS
NEW YORK, Feb. 17.—The Cuban freight steamer Yumuy, which went on the shoals near Sandy Hook during the snowstorm yesterday, was still aground today.

518 LIVES IN PERIL

In Hurricane and Blizzard Which Lashed From Sea—Liner Roma Plunged on Rocky Shore

GAYHEAD, Feb. 17.—In the hurricane and blizzard which lashed inward from the sea yesterday, the Fabra Steamship company's transatlantic liner Roma, with 518 passengers and crew, was plunged on the rocky shore of No Man's Land, late yesterday afternoon, and after a terrific struggle with the huge waves and breakers wildly hurling against her, succeeded in backing from her perilous position with the aid of a tug.

The Roma was bound for Providence and New York from Marseilles. Mangle wireless reports reaching through the tempest for a time gave confused messages from the stricken steamer and left for distressing hours, a doubt of her ability to escape from the jagged shore.

The static conditions were bad and wireless communication which has so often proven the salvation of vessels in distress for some time were most uncertain.

Brave efforts were made by life-savers to respond to the Roma's calls for help. Her radio messages reached the revenue cutter's Itasca, Aqueduct and Gretna, which immediately started to her assistance.

Such, however, was delayed by the blinding storm which was borne on the wings of the 70-mile-an-hour wind, which made navigation in the vicinity of the forbidding land hazardous, and left for distressing hours, a doubt of her ability to escape from the jagged shore.

Before hand or mind could move to safety the big craft, had plunged her bow into the shoals on the coast. How her passengers and crew fared in this moment of peril, is yet unknown and will not be revealed until tomorrow when the vessel docks at Providence.

But the direction of the wind was her immediate salvation for few vessels have escaped from the rocks of the Little Island with the wind from the south.

Had the wind been other than from a north by easterly direction, many say that nothing short of a miracle could have saved the Roma.

It was 4:10 o'clock yesterday afternoon when the first wireless messages from the steamer told of her peril. It came in French and was not translated until some time later. It reached the naval radio station at Newport. It read: "Ashore south side No Man's Land. Send powerful tugboat with all possible towing material. Impossible for us to get off with own power."

STEAMER ROMA ANCHORED
PROVIDENCE, R. I., Feb. 17.—The steamer Roma, which went aground last night on No Man's Land, was reported anchored off Breston's reef this morning. She had a heavy list.

Free Book Explains
To those who write at once we will send free a new book on deafness. Its success and the way to overcome it. Thousands of people have read this book and recovered from deafness of every degree. Complete analysis of the hearing organ. Book is free if you write quick. Don't delay. Send to Room 3362, Monolith Bldg., New York.

ALTITUDES IN INDIANA
A recent publication of the United States geological survey—bulletin, 556—should be of considerable importance to engineers and surveyors. It shows the exact elevation above mean sea level of more than 150 points in Indiana, as determined by spirit leveling done by the survey from 1837 to 1911, inclusive, under the direction of R. D. Marshall, chief geographer.

These exact elevations have been determined by the geological survey in connection with its topographic mapping. Their value as starting points for engineering projects that require their own surveys is evident.

Though the elevations are shown on the survey's topographic maps of areas in Indiana, they are stated on the map only to the nearest foot, whereas the bulletin gives the elevation to thousandths of a foot. For an example may be cited the following statement, descriptive of the highest point noted in the bulletin:

Lanesville, 3.6 miles east of an Elizabeth pike at T road west, in front yard of W. M. Brown's residence, iron post stamped "231" 3-30,565 feet.

The numbers stamped on geological survey bench marks represent the elevations to the nearest foot as determined by the levelman. These numbers are stamped with 3-16 steel dies on tubular or post caps, to the left of the word "Feet."

A copy of bulletin 556 may be obtained free on application to the director of the geological survey, Washington, D. C.

LAWRENCE HIGH BEATEN

Lowell High Defeated Rivals in Dual Track Meet — Captain Bowers Sets up Record

In one of the closest and most exciting dual track meets ever pulled off at the high school indoor track, Lowell high defeated Lawrence high last night by the score of 43 to 31. The result of the meet depended upon the relay race which was won by Captain Bowers' quartet by nearly half a lap.

All of the events were well contested and in none of them did the winner have a walkaway. Lawrence finished

CAPTAIN FARNUM BOWERS, Who Set Up Record in 600 Yard Run.

Three men in the 300 yard dash and Lowell retaliated by sending home three winners in the 600 yard run and the low hurdle race but in each the events were not decided until close to the tape.

New Records Made

Captain Bowers set up a new record in the 600 yard run, running his race in wonderful style and romping home an easy winner a fraction of a second under the existing mark. There is no doubt but what the Lowell distance man could have clipped off several seconds from his time of last night if

he had been pushed.

Lawrence high also put over a distance man who made a mark in the mile run. Levine, who was running as a teammate to Ganley, burst into the lead on the fourth from the last lap and from that time until the tape was broken fought it out with Randall of Lowell for first position. The Lawrence boy showed the greater stamina, however, and ran the local athlete off his legs in the last two laps. His time 5 min. 9 sec., was remarkably good when the track features are taken into consideration.

Capt. Burekel a Star

Captain Burekel of the visitors proved himself a wonderful all around athlete by his performances last night. Besides winning the shot put and tieing for first place in the high jump with his teammate Todd Burekel got into the sprints and made the going fast in all of them.

The real hero of the meet, however, was Captain Bowers of the local team for his work in every detail was glit-ting. In the 1000 yard, as well as the 600 yard, he timed his race to perfection and came down the stretch for the last time in splendid form. His running in the relay was also a feature.

Delaney Won 30 Yard Event

Delaney of Lawrence, went out and brought home the 300 yard event with Kennis second and Marsden third. All of the Lowell entries hit the first bank high and seemed lost on the stretch. Marsden proved a difficult man to pass and showed his way to third place. Delaney was never headed after coming off the first corner.

The local quartet of 300 yarders had an easy time in the relay. Although Blair reached the first bank in the lead Delorme passed him on the second lap and from that time on the Lowell relay men simply plied up a lead. Every Lawrence runner fought it out hard, however, and the race demonstrated the gameness of the down river team.

The Summary

The summary of the meet is as follows:

20-yard dash: First heat won by Libbee, Lowell, and Beals, Lowell, second, time 2.4-5 sec. Second heat won by Cahill, Lowell, and Burekel, Lawrence, second, time 1 sec. Third heat won by Delaney, Lawrence, and Heath-cock, Lowell, second, time 1 sec. Fourth heat won by Cunningham, Lowell, and Marsden, Lawrence, second, time 3.4-5 sec. First semi-final heat won by Libbee, Lowell, and Cahill, Lawrence, second, time 3.4-5 sec. Second semi-final heat won by Cunningham, Lowell, and Marsden, Lawrence, second, time 3.4-5 sec. Final heat won by Libbee, Lowell, and Cunningham, Lowell, third, time 3.4-5 sec.

Score: Lowell 8, Lawrence 3.

600-yard run: Won by C. Bowers, Lowell, second, Levine, Lawrence, and Larrett, Lowell, third, time 2 min. 44-5 sec.

Score: Lowell 12, Lawrence 6.

Grammar school team race (800 yards): Won by the Holliston grammar school, Lawrence, time 1 min. 53-4-5 sec.

300-yard dash: Won by Delaney, Lawrence, Kennis, Lawrence, second, and Marsden, Lawrence, third, time 41 sec.

Score: Lowell 12, Lawrence 15.

Running high jump: Won by Capt. Burekel, Lawrence. Todd Burekel, second, and Buchanan, Hildreth, and Buchanan, Lowell, tied for third place. Height, 5 ft.

Score: Lowell 13, Lawrence 23.

Grammar school team race (800 yards): Won by the Highland grammar school, Lowell, time 1 min. 55 sec.

600-yard run: Won by Bowers, Lowell, Heathcock, Lowell, second, and

Have You Dyspepsia?

Can't Eat—Can't Sleep—Always in Pain and Suffering

"Eat What You Want" Says This Physician

"Indigestion and practically all forms of stomach trouble are, in almost every instance, due to hyper-acidity. Too much acid first produces dyspepsia and indigestion; next the stomach walls become irritated and it is only a short time until it eats through the walls, causing ulcers in the abdomen, which in turn are followed by cancer and death; therefore stomach sufferers are required to avoid eating food that is acid in nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspepsia and stomach sufferers are usually so lacking in that vital energy which can only come from a well-fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy sweet or fatty foods and are trying to keep up a miserable existence on gluten products, I would suggest that you try a meal of food or foods which you may like in moderate amount, taking immediately afterwards a teaspoonful of bisulphated magnesia. As a physician I believe this will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphated magnesia is the best food corrective and antacid known. Bisulphated magnesia has no direct action on the stomach; but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, it does more than could possibly be done by any drug. As a physician I believe in the use of medicine whenever necessary, but I cannot see the sense of forcing an indolent and irritated stomach with drugs instead of getting rid of the acid—the cause of all the trouble. Get a little bisulphated magnesia from your druggist, eat what you want at your next meal, take some of the bisulphated magnesia as directed above, and you will find you sleep well and the usual belching, gas, sour stomach, bloating, indigestion and other conditions entirely removed."

Douglas, Lowell, third, time 1 min. 53-5 sec.

Score: Lowell 22, Lawrence 23.

Shot-put: Won by Capt. Burekel, Lawrence. Cahill, Lowell, second, time 34-5 sec. Duval, Lowell, third, distance: 41 feet, 3 1/2 inches.

Score: Lowell 35, Lawrence 28.

35-yard hurdles: First heat won by Libbee, Lowell, and Burekel, Lawrence, second, time 5 seconds. Second heat won by Cunningham, Lowell, and Cahill, Lowell, second, time 5-5 seconds. Third heat won by Cunningham, Lowell, and Marsden, Lawrence, second, time 4-5 seconds.

Score: Lowell 35, Lawrence 23.

1000-yard run: Won by Levine, Lawrence; Randall, Lowell, second, and Ganley, Lawrence, third, time: 5 min. 25 sec.

Score: Lowell 35, Lawrence 34.

1000-yard team race: Won by Lowell (Delorme, Cahill, Heathcock and Capt. Bowers). Time: 2 minutes, 41 seconds.

Final score: Lowell 48, Lawrence 34.

PASSENGERS IN PANIC

QUEEN CITY, LARGEST PACKET ON THE OHIO RIVER RAN AWAY

LOUISVILLE, Ky., Feb. 17.—One hundred and ten passengers, including many women, were thrown into panic early today when the Queen City, the largest packet on the Ohio river, ran away from the head of Ohio Falls opposite here after a strong current had almost carried her over.

The vessel was en route from Pittsburgh to New Orleans on an annual Mardi Gras excursion.

When lifesavers from the local station reached the steamer in response to her distress signals they found the hulls lined with half dressed, frightened passengers several of whom were about to jump into the icy water. All the passengers were taken off.

DEFENDS BUTLER RECORD

Grandson of Officer in Open Letter Takes Exception to Remarks in Opposition to Monument

BOSTON, Feb. 17.—Adelbert Ames, Jr., grandson of Gen. Benjamin F. Butler, has written an open letter to Moorfield Storey, Esq., who appeared before the legislative committee in opposition to the bill for a Butler monument.

He bases his remarks upon a stenographic report of the hearing at which Mr. Storey appeared, and takes sharp issue with him on many points.

Mr. Ames' letter:

"Dear Sir:—The press reports of the remarks made by you, Messrs. H. L. Higginson, E. S. Hesselstine, James F. Rhode, N. P. Hallowell and others in opposition to the erection of a statue to the grand old General Benjamin F. Butler, at hearings before the committee of the legislature in previous years have been sufficient to indicate your attitude and the general nature of the motive which influenced you and these other remonstrators; but it was not until I had secured a full stenographic report of the statements made at the hearing before the committee of the legislature of Feb. 5 of this year that I fully realized the real nature of what was being represented to the legislature as facts, and which, by frequent repetition, I fear, have come to be regarded by a not inconsiderable portion of the public as true.

"You attempted to make the committee believe that General Butler, though posing as the friend of labor for the purpose of gaining an election to the legislature, did nothing to secure legislation in favor of laborer's election.

"The truth, however, appears in what the journals of the house of representatives of that time, say—

"On page 81 of the Journal of the House of Representatives of 1853 appears this entry of Jan. 19, 1853: 'Mr. Butler of Lowell presented petition of Mary the wife of George Richardson and 500 others of Lowell for a Ten-Hour law. Referred to the joint special committee.'

"The Journal of the House of Representatives of 1853, page 155, under date of Feb. 7, contains the following entry: 'Mr. Butler of Lowell—the petition of H. L. Langley and others of South Boston in favor of the Ten-Hour law.' And under date of Feb. 14, the following entry: 'Mr. Butler of Lowell—the petition of Amanda Richardson and 500 others of Lowell for a Ten-Hour law. Referred to the joint special committee.'

"And then, Mr. Storey, you continued in your statement, 'And when they undertook to say that these gentlemen in the Back Bay are the owners of mills it is worth while to observe that he was the owner of the majority of the stock in the Middlesex company. General Butler, through his entire career, was very glad to catch votes by promises, but when he came to performance that is the sort of performance which he gave his constituents. Now, the fact trouble with Butler was this, that from the beginning to the end of his career he was professing great regard for the laboring man, he was professing at times great regard for the colored man; but in practice he was always looking out for General Butler.'

"The truth is that, of 5000 shares of Middlesex company stock outstanding until 1854 and 7500 shares after 1854, the largest amount owned by General Butler at any time was 470 shares, and as trustee, he was 470 of these shares; and if 21 shares owned by his wife were added as subject to his control, the number would be increased to only 491 out of 5000 or 7500 outstanding.

"Leaving your remarks as to his sincerity as a friend of labor, I come now to your statements with reference to his connection with the Soldiers' Home. Your words were these: 'He was a representative and trustee of the Soldiers' Home; he professed great regard for these soldiers. The evidence shows that he took the funds of soldiers and mixed them with his bank account and pocketed the interest, and after his death a judgment of \$18,000 was rendered against him in the supreme court and that \$18,000 was money which he had taken from the soldiers and put into his own pocket, and which his executors had to pay.'

Soldiers' Home Dispute

"In brief, the facts are that General Butler not only professed but had great regard for the soldiers interested in the Soldiers' Home, and labored hard and faithfully, without remuneration, in their interests; as acting treasurer he handled funds for the home which totaled over \$10,000,000, and at least once, when temporary assistance was needed by the home, he advanced his own money in a considerable amount to bridge over the situation until the receipts of the organization were sufficient. His personal account and his account as treasurer were kept by a single accountant and financier agent and General Butler himself did not interfere with the handling of the accounts. The accounts were in a form satisfactory to the auditors appointed by the governing board, who yearly examined and approved them and whose certifications clearly appear on the books which are still in existence.

"The disputes to which you refer concerned two complicated bookkeeping entries and transactions between the acting-treasurer of the eastern branch home of the National Home for Disabled Volunteer Soldiers and the financial agent of General Butler, who was acting-treasurer of the National Home for Disabled Volunteer Soldiers.

"These entries together represent a sum of approximately \$18,000 and the dispute involved no question of interest whatever except on that amount, but only a question which the court described as 'complicated and confused,' whether these entries represented money which had not been accounted for by Gen. Butler through other entries. Beside the entry of the sums appeared in the agent's writing, the word 'no money passed' was written by J. C. (the agent) to tell Gen. Butler, relying upon his own knowledge, upon the certification of the board of auditors that he did not owe the sum, and upon the certification of

What So Precious As a Healthy Baby?

Every Youngster Can Have Fine Digestion If Given a Good Baby Laxative

In spite of the greatest personal care and the most intelligent attention to diet, babies and children will become constipated, and it is a fact that constipation and indigestion have wrecked many a young life. To start with a good digestive apparatus is to start life without handicap.

But, as we cannot all have perfect working bowels, we must do the next best thing and acquire them, or train them to become healthy. This can be done by the use of a laxative-remedy highly recommended by a great many mothers. The remedy is called Dr. Caldwell's Syrup Pepsin, and has been on the market for two generations. It can be bought conveniently at any drug store for fifty cents or one dollar a bottle, and those who are already convinced of its merits buy the dollar size.

Its mildness makes it the ideal medicine for children, and it is also very pleasant to the taste. It is sure in its effect, and genuinely harmless. Very little of it is required and its frequent use does not cause it to lose its effect, as is the case with so many other remedies.

Thousands can testify to its merits in constipation, indigestion, biliousness, sick headaches, etc., among them reliable people like Mrs. James R. Lyons of Charlotte, Wis. Her little son Howard was fifteen months old last April, but he was sick with bowels trouble from birth and suffered intensely. Since Mrs. Lyons has been

HOWARD LYONS

giving him Dr. Caldwell's Syrup Pepsin all trouble has disappeared and the boy is becoming robust.

Thousands keep Dr. Caldwell's Syrup Pepsin constantly in the house, for every member of the family can use it from infancy to old age. The users of Syrup Pepsin have learned to avoid cathartics, salts, mineral waters, pills and other harsh remedies for they do not temporary good and are a shock to any delicate system.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. S. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

LOCAL NEWS

Mr. and Mrs. M. Conway and John Leland of Lowell sailed today for Europe on the Prinz Frederick Wilhelm.

Rev. John Elmen, pastor of the Swedish Congregational church, left yesterday for Pigeon Cove, where he will remain during the week.

Smoke pouring from a furnace in a house at 351 Pine street was responsible for a telephone alarm about 4.45 o'clock yesterday. On the arrival of the fire apparatus it was learned that there was no fire, except what was in the furnace. The regulation of the draughts sent the smoke in the right direction. The alarm was needless.

The snow is so deep on the skating rink at Shedd park that Park Superintendent Kernan says he will allow the snow to remain. He says it would cost too much to remove it. Mr. Kernan and his men worked the greater part of last night plowing ways through the snow on the park's commons and this morning they removed the snow at city hall and soldiers' monument.

Half a dozen pheasants are making their winter headquarters at Fort Hill park and it was reported yesterday to the game warden that some young men were attempting to snare the feathered beauties. Smoke Inspector Riley saw the pheasants at Fort Hill and upon learning of the attempt had been made to snare them the inspector reported the matter to the game warden.

The municipal council has until the fifteenth day of March to prepare its appropriations for the year, and until that time liabilities payable out of the regular appropriation may be incurred to an amount not exceeding one-sixth of the total appropriation made for similar purposes last year.

The horse attached to a wagon these days is almost as much to be pitied as the horse attached to a sled or sleigh when the ground is bare.

COMMITTED SUICIDE

HAVERHILL, Feb. 17.—Preston Little, a farmer 10 years old, was found hanging from a tree in his barn in the Scotland Hill district of West Newbury this morning. Little was arrested for drunkenness for the first time in his life in Newburyport Saturday night and locked up in the Newburyport police station.

WHAT'S INDIGESTION? WHO CARES? LISTEN!

"Pape's Diapiesin" Makes Sour, Gassy Stomachs Feel Fine At Once

Time! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eruptions of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain indigestion remedy in the whole world, and besides it is harmless.

Millions of men and women now eat their favorite foods without fear they know Pape's Diapiesin will save them from any stomach misery.

Please, for your sake, get a large fifty cent case of Pape's Diapiesin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it, and without dread of rebellion in the stomach.

Pape's Diapiesin belongs in your home anyway. Should one of the family eat something which doesn't agree with them, or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement, at daytime or during the night, it is handy to give the quickest, surest relief known.

CAR STRUCK GRAIN SLED

Slight Collision in Dracut This Afternoon — Mr. M. L. Shaw and Small Boy Injured

The grain sled of M. L. Shaw of Dracont was struck by an inward bound Lowell-Nashua electric car of the Bay State Street railway this afternoon on Lakeview avenue just above Parker avenue, Dracont and Mr. Shaw, who was driving the rig, and a small boy who was riding beside him were both

the car, and was fairly launched on the downward decline before either the driver of the sled or the boy was aware of its presence. Nothing that the motorman could do then proved sufficient to check the velocity of the car so that a collision could be avoided and the electric ran down the sled before the horses could draw it clear of the sled.

Mr. Shaw was taken to his home at

The New Boston road by a man in the employ of Oliver Coburn who happened to be passing at the time with his milk team. The boy, whose identity was not learned, was taken into the Mack Square by the conductor of the car which figured in the collision. The youngster said that Mr. Shaw was giving him a ride at the time of the accident. It was found that he was more scared than hurt and he was sent home.

There is a sharp curve at this point in the road and the inward bound car is hidden from the view of anyone on the other side of the incline. The cars, as a rule, pass each other at about this spot.

The inward bound car swept around Mr. Shaw is at present confined to his home suffering from a general shaking up and, it is feared, a badly wrenched back. He was unable to walk into this afternoon and it is thought that he may have sustained more serious injuries than at first supposed.

200 MORE FOR CAR SHOPS

Reported at Billerica Today in
Spite of the Storm and Block-
ade of Travel

Nearly 200 additional men, fifty from Concord, N. H., and the rest from Keene, N. H., reported at the Boston & Maine repair shops in Billerica this morning, making the total number of men now employed at the shops nearly 700. The men, says U. H. Chandler,

able experience in the railroad shops in the up-country cities and came here ready to start right in at their respective machines.

These men stated that the railroad service in Hillsboro and Concord was all down Saturday, and although many had planned to come then it was necessary for them to postpone the trip until yesterday. They found sleeping quarters in the various sections of the city, while Saturday afternoon was at a standstill and some of the employees walked the entire distance to this city while others waited for the railroad to start and waited for trains to convey them to their homes in this city. They experienced great hardships in the severe storm and many of them felt that the change from Concord and Kennesaw to Hillsboro was a disappointment.

MELLEN AGAIN DECLINES HELD UP BY WOMAN

FORMER PRESIDENT OF NEW
HAVEN CANNOT LEAVE BRIDGE-
PORT, CONN., UNTIL LEAVE

BOSTON, Feb. 16.—In a letter received from the United States marshal at Hartford, Conn., he says

Charles S. Mellen, former president of the New Haven road, declined for a second time to appear in connection with the investigation of the road's publicly exposed. Mr. Mellen said that matters of paramount importance in connection with his trial for manslaughter at Bridgeport, Conn., required his entire attention.

The commission desired Mr. Meifen's views on the subject of confidential informants by vouchers submitted by the leads to commission and which were made to executive council reporters and railroad experts.

"I have little knowledge of the subject in question," Mr. Meifen declared. "I personally had nothing to do in the way of giving directions or receiving reports from those who were employed. Many indeed most of the

Mr. Wardell has testified regarding his employment substantially as I have set forth.

Practically all the they matters
traced upon I can throw no additional
light upon.

He said he was a part of the expenses,
and he was at our Boston office and was
removed by, if at all, because they
came to me from responsible officials,
and then to be or with personal as-
urances from such officials they were
paper and should be paid."

Mr. Coulet, who is a popular young
man in this city, without the aid of
any machinery, increased the produc-

U. HASTINGS OF BOSTON WITH
F. MARDEN, ORTH & HASTINGS
WELLED TO ANSWER INDICTMENT

POSTON, Feb. 18.—Walter O. Hastings, a member of the local oil firm of North & Hastings, was held by United States Commissioner Hynes today to answer to an indictment returned in the federal court of New York charging him with accepting bribes on oil shipments from the Erie road.

Anathole Breaault of 7 Hancock street dropped two five-dollar bills inside the jewelry store of Frank Girard in Merrimack street, and she did not notice her loss until she had reached her home. Miss Girard later and the owner of the money and he eventually returned the bills to her.

KING FELL FROM HORSE

Albert I, Broke His Left Arm in Accident While Riding Not Far From the Battlefield of Waterloo

BRUSSELS, Belgium, Feb. 17.—Albert I, king of the Belgians, broke his left arm today. He was thrown from his horse while riding in the forest of Seignies, not far from the battlefield of Waterloo. His majesty's escape from more serious injury was a narrow one and exaggerated reports of the accident caused much public concern in the Belgian capital. The king's physician, however, allayed anxiety by a bulletin describing the injury and declaring that no grave consequences were likely to ensue.

PERISHED IN ALBANY FIRE

Several Residents of Blocks Destroyed Today Are Reported Missing—Loss \$100,000

ALBANY, N. Y., Feb. 17.—One man, perhaps others, are believed to have lost their lives in a fire which started today in the Medwin block, a four-story brick structure in the business section. The fire was still burning at eight o'clock and it may be hours before the ruins can be searched. Several residents of the building are reported missing. The loss is estimated at \$100,000. Five persons were injured, one seriously, when two men leaped from the upper floors. Deep snow drifts seriously hampered the firemen's efforts. Motor driven apparatus could not reach the fire at all and at times three teams of horses were attached to the heavier pieces. Albany firemen have been on constant duty for nearly 24 hours, fighting a blaze which started Sunday night and was still burning when the Medwin block was found to be in flames. It is thought an explosion caused today's fire.

TRIAL OF EX-PRES. MELLEN

In Connection With the Westport Wreck is Not Expected to Materialize for a Week

BRIDGEPORT, Conn., Feb. 17.—The trial of Charles S. Mellen, former president of the New York, New Haven & Hartford railroad on a charge of manslaughter in connection with the Westport wreck on Oct. 30, 1912, is not expected to come up for ten days or two weeks. The session of the criminal court the docket of which includes this case opened here today but Judge Cummings, chief counsel for Mr. Mellen said he did not expect that the case would come before the court in any form at this time. The action of State's Attorney Stiles Johnson yesterday, in quashing the indictment against five other officials of the company and all but one of the counts against Mr. Mellen made an appearance in court today unnecessary. They were determined, however, said Mr. Cummings that the case should be disposed of at this time of the court. Mr. Cummings continued: "We have submitted to the jury the evidence of the trials with protests for a year. We now want to dispose of the matter as quickly as possible and I can see no difficulty in disposing of this single case against Mr. Mellen at this time of the court. I have been informed that I shall be notified when the case will be ready but that the trial will be held in two weeks before Mr. Mellen is brought to trial. The amended petition, I understand, is the same old first count against Mr. Mellen, brought over again, so as to have the document free from all complications. The amended information, which was brought against Mr. Mellen and which is in substance the first count of the original complaint, recites the time and place of the accident, describes the death of one Jane Doe in the burning wreckage of the express car and charges Mr. Mellen with having committed manslaughter."

HAD HANDS FROSTBITTEN

Lewis Gardner, a Stranger, Sent to Jail—Other Cases Before Judge Enright This Morning

Lewis Gardner came to Lowell from the wilds of Vermont last Thursday with two frostbitten hands, very little money and a tremendous thirst. Although his hands were in bad shape

That Weak Back

accompanied by pain here or there—extreme nervousness—sleeplessness—may be faint spells—cramps—all are signs of a weak back. It may be growing from girlhood into womanhood—passing from womanhood to motherhood—or later suffering from that change into middle life which leaves so many women weak. At any or all of these periods a woman's life should be taken to a tonic and nerve prescriber for just such cases as by a physician of vast experience in the diseases of women.

DR. PIERCE'S Favorite Prescription

has successfully treated more cases in past forty years than any other known remedy. It can now be had in sugar-coated, tablet form as well as in the liquid. Sold by medicine dealers or trial box by mail on receipt of 50 cents in stamps.

Miss Elizabeth Lord of Berkeley, Cal., in a recent letter to Dr. Pierce said: "I was completely broken down in health, I wasaching and had pains all over my body and was so nervous that I could scarcely get any sleep. I had the good fortune to meet a nurse who had been cured by Dr. Pierce's Prescription. I have never had an occasion to consult a physician since—am in excellent health."

Dr. Pierce's Pleasant Pellets regulate stomach, liver and bowels—sugar-coated, tiny granules

DIVISION 2, A. O. H., CELEBRATES ITS 45th ANNIVERSARY BY MEETING, SPEECHES AND MUSIC

REV. JOHN P. FLYNN, O. M. L.

JOHN P. SHEAHAN, President

DANIEL J. MURPHY, One of the Organizers of Division 2.

The forty-fifth anniversary of the incorporation of Division 2, Ancient Order of Hibernians, was celebrated in A. O. H. hall last evening with an enthusiastic "which lacked" nothing either in volume or in fervor. Among the members and friends of the organization who attended were a delegation of Hibernians from Concord and Keene, N. H., who having come to Lowell with the Boston & Maine forces at the Biltmore machine shops intend to cast their lot with the local Hibernians. To these men a rousing welcome was given. The speakers of the evening were Daniel J. Murphy, one of Massachusetts' oldest and most prominent Hibernians, and his associate, John P. Sheahan, president of the division. Continued to last page.

STEAMERS IN DISTRESS

Violent Storms in North Atlantic Forced Many Vessels to Abandon Trips

QUEENSTOWN, Ireland, Feb. 17.—Such violent storms have prevailed in the North Atlantic during the past week that many passenger steamers and cargo boats unable to battle against the strong winds and high waves have turned round and run for shelter to ports of this side of the Atlantic. The French liner Niagara, which left Havre on Feb. 7 for New York, lost her starboard propeller and crippled also her port propeller soon after she got out, and is now crawling slowly back. The big Dutch oil tank steamer Rotterdam, which left Rotterdam on Feb. 10 for New York, was forced to turn back on Sunday night and is now in tow of a steam tug. The British steamer Tritonia from Glasgow for Mobile passed Philadelphia today after being carried away and her decks badly damaged during the gale on Friday. Another steam tug is towing the British steamer Ludwig Groedel, bound from Barry to Malta, which lost her propeller off the Spanish coast on Thursday. The new Scandinavian-American liner Frederik VIII, on her way from Copenhagen, Feb. 1, for New York has been severely delayed by the gale and sent a wireless message saying she is proceeding to Fajal to replenish her coal bunkers. Several big cargo boats have put into St. Michaels during the past few days to undergo much needed repairs or to obtain fuel.

As soon as the bartender who received the suit case went out to the man, he passed out the foam and asked for his suit case, which he described. The new bartender, without suspecting anything wrong, handed him the article and the old chap started with it for the nearest pawnshop. When the owner of the suit case returned he learned that his belongings had all disappeared in the custody of a stranger and at once instituted a police investigation. Owing to the fact that Lieut. Maher wasted no time on the case, Gardner was soon in a cell at the police station. Gardner told Judge Enright this morning that he did not steal the suit case but that some mistake must have been made. He told his story well but there were several missing links at which he was forced to hunch himself when cross-examined. One of his hands was in the frost bites which he suffered in Vermont and which had not been properly cared for. Judge Enright found the defendant guilty and sent him to jail for three months. On August 16, 1910, Joseph Moran stole \$30 from Ray S. Frost and, in spite of the fact that the latter has given him several opportunities to pay up the debt, has never made good. The defendant has been in the court before on the same charge and but one feature of the case determined the court from sending him to the house of correction. Moran has a wife and six children who are dependent upon him for support and in view of this fact Judge Enright gave him a suspended sentence of four months in the house of correction.

DIVISION 1, A. O. H. Will Celebrate its 47th Anniversary on Next Thursday Evening

Division 1, A. O. H., will celebrate its 47th anniversary at Hibernian hall, on next Thursday evening in a most fitting manner. The committee in charge has done its share towards making the affair a grand success. Jeremiah P. Connors is chairman of the anniversary committee, and Homer J. Verville is secretary. A fine literary program has been arranged and prominent speakers will be in attendance. It is the wish of the division to have the members bring their gentlemen friends that they may see the good work the society is doing among its members. The other local divisions have been formed through the members of Division 1 leaving the old division and starting new divisions. Of the order in Lowell the men prominent in city affairs in the past that are connected with Division 1 are: Former Mayor James E. O'Donnell, Ex-Alderman Jeremiah P. Connors, Dr. Patrick J. Bagley, Dr. James B. O'Connor, Assessor Daniel E. Hogan, among the many professional men in this grand old division are: John F. Boyle, M. D., medical examiner of Division 1; Dr. Fred P. Murphy and Dr. James B. O'Connor. Among the other members of the order are: Charles Callahan, Michael Linnane, James Lyons, John O'Hare, Terence C. Moriarty, O'Sullivan, James W. C. Patrick, Kennedy, Christopher Sheridan, John O'Meara, Peter Bagley, Thomas Doyle, Patrick McGovern, James McCardle, Martin Moran, and Martin Flanagan. Most of these members are in the order for 10 years or more. Martin McCarthy, the lasting president, is one of the youngest men ever elected to the office and he is setting things in shape for a class initiation to be held early in March, so Division 1 will make things hum from now on. Many prominent men of the order are highly interested and will be more so from now on. The present officers of the division are: Martin P. McCarthy, president; Michael Casey, vice-president; James A. Sheahan, financial secretary; Homer J. Verville, recording secretary; Thomas P. McCann, treasurer.

AMUSEMENT NOTES

LOWELL OPERA HOUSE
Despite the inclement weather of yesterday the ever popular Opera House was crowded at both the matinee and evening performances due to the fact that the famous motion picture female detective, Miss Laura Sawyer, was offered in her latest and best of detective dramas, "An Hour Before Dawn." Famous players and firms with big names in the picture world all look on with astonishment at the wonderful success of this talented actress. Regular patrons of the Opera House who follow every play closely, count Miss Sawyer's impersonation of Kate Kirby in "An Hour Before Dawn" as the best of her many character creations since her advent into motion picture plays. The story tells of a sensational crime that mystifies the police and is finally traced to a recent authentic discovery of Signor Ulliv, the celebrated Italian engineer. "An Hour Before Dawn" will be offered at the Opera House for the last time in this city today.

"FIVE FEATHERS"
The coming to a local theatre of Robert Merton in any of his plays never excited such a large audience as that of "Five Feathers." The appearance of Wilton Lackaye would be hailed with delight by all lovers of the drama; the coming of Max Fighman is always a welcome occurrence in any season, while Rose Coghlan never fails to attract huge attendance and win high praise. Even Florence Rockwell and Lydia Jackson, who are not quite so well known, but whose fame has already spread far and wide, would bring forth goodly attendance. The play, which is a comedy, appearing on a single stage in a single play, will be the case when "Five Feathers" is presented at the Lowell Opera House. The play is a comedy, appearing on a single stage in a single play, will be the case when "Five Feathers" is presented at the Lowell Opera House. The play is a comedy, appearing on a single stage in a single play, will be the case when "Five Feathers" is presented at the Lowell Opera House.

MURPHY'S THEATRE

The headliner at B. F. Kelly's theatre this week is a fine musical sketch entitled "The Rest Cure," presented by three stars and a clever chorus. The play deals with a young man, "Billy French," who, after drinking the wealthy water as a result of his failure to marry the girl he loves, "Sammy," and "Minnie Barnes" are running a sanatorium for persons who desire rest and cure. The play is a comedy, appearing on a single stage in a single play, will be the case when "Five Feathers" is presented at the Lowell Opera House.

THE OWL THEATRE

The feature show of this week at the Colonial has been a five reel subject, "In the Clutches of the Paris Police," which comes to Lowell with the recommendation of being a masterpiece in stage settings and acting. The story is one of the world famous "Apaches of Paris," and introduces a never before the wonderful skill of Jane Marie Laurent, a little girl of five years whose work as an actress is astonishing the theatrical world of this country. The cost of producing this play in Lowell is a masterpiece in stage settings and acting. The story is one of the world famous "Apaches of Paris," and introduces a never before the wonderful skill of Jane Marie Laurent, a little girl of five years whose work as an actress is astonishing the theatrical world of this country.

DEATH OF YOUNG BRIDE

Mrs. Joseph Cayouette, Passed Away This Morning—Husband is Critically Ill
A sad death occurred this morning, when Mrs. Joseph Cayouette, nee Hebert, a widow, a wife of only a few months, passed away at her home, 51 Crawford street after a short illness. Mrs. Cayouette was married on July 8 and since that time she has been in poor health. A short time ago she suffered an accident and her condition grew worse. Despite medical attendance, the young woman passed away this morning. Another pathetic side of this death is the fact that the husband is critically ill at his home, suffering from heart disease. Deceased was 23 years and 5 days old and she is survived by a husband, a father and mother, Mr. and Mrs. William Jagnon of Riviere Ouelle, Canada; nine sisters, Mrs. Joseph Charette, Mrs. Joseph Desjardins, Mrs. Philippe LeGare, Misses Theodore, Maria and Eugene Gagnon, all of Riviere Ouelle; Mrs. Delima Gagnon and Mrs. Antoine Meadard, both of Riviere Ouelle.

MERRIMACK SQUARE THEATRE

One of the best balanced bills seen at the Merrimack Square theatre since its conversion into a vaudeville theatre is the attraction of the first three acts of this week. The bill contains three acts which are headed by Mrs. Anna Eva Fay, famous as a clown, vaudeville, and there are also some excellent comedians that add to the entertainment. Mrs. Fay appeared in Lowell about 25 years ago in old Huntington hall. She has appeared here on several previous occasions. Mrs. Fay has but recently returned from Europe, and the management of the local theatre did well to secure her at such an early date. During her trip abroad Mrs. Fay appeared before many kings, queens and celebrities and she was a sensation. She was always a great attraction, her work being sufficiently mystifying to the audiences at all her performances and there is no doubt but her present engagement at the Merrimack Square theatre will prove fully successful and entertaining as those of the past. She is to remain here one week.

ACT AT ONCE

Those who wish to see the woman of the world, who is certainly the best kept secret for several minutes in this week's program, should act at once. Had to do with the falling of a bank and she told a great many of the money and how much they would get. In most cases the question is decided by the answers and all left the theatre talking about the woman of the world. "In Dear Old Ireland," a one act play by O'Donnell Brothers, in which the comedy story and there is also a considerable Irish comedy interspersed. Major James J. Doyle, a comedian of the small size type, chatters and sings in a way that is sure to please his listeners and his act is one of the most enjoyable on the bill. The weekly pictures are as interesting and instructive as ever and there are one or two pictures that are sure to bring laughs from the audience.

MINERAL OF ST. DAGON

Georgian Statesman in Senate

After the hours of prob-

The floor room, which was lying upon the floor were reserved president of the United States, the chief justice of the supreme court, members of the cabinet, members of the house of representatives, the admiral of the navy, officers of the army and the secretary of the Smithsonian Institution. The casket remained in the vice president's office until all was ready for the obsequies.

Access to the galleries was by ticket and the more intimate friends of the dead statesman. One gallery was reserved for the use of those of the president and vice president.

President Spoke

Vice President Marshall had said in order he said in a low voice feeling and lowered whisper.

At five o'clock the hour has arrived in accordance with the orders of the final ceremonies over the remains of George Washington Bacon, late from Georgia and an distinguished member of this body, observed, in conformity to and in token of our common

"Into the loving hands of the committee of congress and the officers of the senate," he said, "we commit the mortal remains of this well-beloved senator to be conveyed to his home in the state of Georgia, there to be deposited in its final resting place. May his labors in the cause of constitutional liberty prove a blessing to the republic."

Members of the capital police forbore the body back to the marble room, where it remained until escorted to the railway station for the journey to Atlanta, where it will lie in state at the Georgia hospital until taken to Macon for interment.

The funeral party that accompanied the body south included the committees appointed by the two houses of congress.

President Not at Services

It was announced at the White House almost at the last moment that President Wilson would not attend the funeral services because Dr. Grayson did not think it wise to expose him at a time when he was recovering from a troublesome cold.

Mrs. Wilson and Miss Helen Woodruff Bones went to occupy seats in the reserved gallery.

Besides the caquet in the marble room was a guard of honor composed of one veteran of the Union army and one veteran of the Confederate army. Senator Bacon was a Confederate officer.

The southern veteran was J. D. Marshall of Birmingham, Ala., and the northern veteran was Major James A.

WANTED

Woolen Weavers. Bay State Mills, Lawrence Street.

THE ORIGIN OF MAN

AS EXPLAINED BY THE EKOI TRIBE OF NIGERIA THE HAPPIEST ON EARTH

WASHINGTON, D. C., Feb. 17.—With no taxes to pay and no wearisome restrictions to undergo, living in a land so fruitful that a few weeks' labor is enough to supply them with food, home and clothes for a whole year, the EKOI, natives of extreme southern Nigeria, on the equator, should be, and probably are, among the happiest people on earth according to P. A. Talbot, African explorer of London, Eng., in a communication to the National Geographic Society, at Washington, D. C.

"The EKOI are devoted parents," he writes. "They have curious beliefs as to the advent and death of their babies. One charming superstition forbids all quarreling in a house where there are little children. The latter, so they say, love sweet words, kind looks, and gentle voices, and if these are not to be found in the family into which they have been reincarnated, they will close their eyes and forsake the earth till a chance offers to return again amid less quarrelsome surroundings."

To the EKOI, dancing is one of the main occupations of life. With them the dance provides an outlet both for the dramatic instinct and for religious fervor. At the new year, and on all great festivals, the chief societies of men, women and children come up to the station to give a series of dances. The EKOI are a polygamous people, but the chief wife, not the husband, is the head of the house. Each wife has control over her children, who almost invariably go with her if she leaves her husband, and her rights as to property are most strictly safeguarded by the law.

Mr. Talbot recounts one of the many old legends of the country, explaining the position which woman holds. At the beginning of things the legend runs, the world was peopled by women only. One day the earth-god, Awbasi, was captured by accident to his wife, a woman, Awbasi, sorry for the grief he had caused, offered to give them anything they should choose out of all his possessions. They begged him to bestow what he had to give, and said they would not be happy until he married the thing which they wished to have. At length the list was nearly ended; one thing remained to offer and that was a man. They shouted "Yes" and, catching hold of one another, started dancing for joy. He took them therefore, as compensation for the fellow-woman whom they had lost, and thus the men became the servants of women, having to work for them up to this day.

SOCIAL AND FRATERNAL

The 22nd anniversary of Garfield County, United Order of Pilgrim Patrons, was observed last evening and despite the unfavorable weather there was a large attendance. The entertainment which was of an excellent character consisted of the following pictures:

"True to the Core," C. Odling, "A Family Jar," Collier, "The Maiden's Dream," Bachelier, "Light of Other Days," Dim, "A Marble Group," Carter, "Fortune," anonymous, "Portrait of K. O. George," Marion, "Maggie's Secret," Rosette, "The Puzzle," Carr, "The Cause of Many Tears," Farmer.

Garfield County was organized in 1892, and is the oldest and largest county in the State. It has been paid to the beneficiaries of its deceased members, through the supreme treasurer, the sum of \$100,000. The death register showing a list of 66 deaths was served.

During the evening a collection was taken for the benefit of the orphanage.

LEGAL NOTICES

MORTGAGEE'S SALE OF REAL ESTATE
By virtue of a power of sale contained in a certain mortgage deed given by Abner D. Smith, of Danvers, in the County of Middlesex, and Commonwealth of Massachusetts, to The Central Savings Bank, a corporation established under the laws of said Commonwealth and located at Lowell, in said County, dated December 7, 1912, and recorded in the Registry of Deeds for the Northern District of said County, Book 10, Page 10, and a certain public auction for breach of the conditions of said mortgage deed, on the premises hereinafter described, on Wednesday, the twenty-fifth day of February, A. D. 1914, at three o'clock in the afternoon, all and singular the premises conveyed by said mortgage deed and therein described substantially as follows:

That parcel of land with the buildings thereon situated on the north side of the side of Lily Avenue, in the City of Lowell, in said County, consisting of said Lowell called Centralville, being Lots 52, 51, 50 and the greater portion of Lot 49, on a plan entitled, "Centralville, City of Lowell, Mass., owned by Heirs of Fisher A. Hildreth, Thomas Nesmith and others, 1883, Ernest W. Bowditch, Carl E. Bowditch, and others, 1912, City of Lowell, being Plans 14, 17, 57, and bounded

northerly by said Lily Avenue, one hundred and thirty-one (131) feet, northerly by land conveyed by John W. Lead to Mary Garvey by deed dated August 31, 1899, and recorded in said Registry, Book 18, Page 18, and three (3) feet, southerly again by said last mentioned land five (5) feet; westerly again by Lot 49 on said plan forty (40) feet, and 12.5 feet, northerly by Lots 60, 59, 58 and 57 on said plan two hundred and 4109 feet, 75.00 square feet of land, and be said contents and any or all of said measurements more or less, and being the same premises as is included within the description of the premises conveyed by deed dated December 7, 1912, and recorded in said Registry. So much of said premises as is included within the description of the premises conveyed by deed dated December 7, 1912, and recorded in said Registry, shall be subject to the restriction that no building shall ever be erected or maintained on the premises within ten feet of the side of said Lily Avenue except that steps, doors, walks and eaves may further project in such manner as not to unreasonably impair or obstruct the view of the street from the day of sale at 12 o'clock noon, at said place.

The Central Savings Bank, by Arthur J. Murkin, Treasurer, COMMONWEALTH OF MASSACHUSETTS, Middlesex ss. Probate Court. To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of Abner D. Smith, deceased, late of Lowell, in said County, deceased, Intestate.

Whereas a petition has been presented to said Court to grant a final order of administration on the estate of said deceased to Bridget Carolyn, of Lowell, in said County, or to some other eligible person;

You are hereby cited to appear at a Probate Court to be held at Cambridge in said County of Middlesex, on the sixth day of March, A. D. 1914, at nine o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And the petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in The Lowell Sun, a newspaper published in Lowell, the last publication to be one day at least before said Court.

Witness, Charles M. Allen, Register, First Judge of said Court; this fourteenth day of February, in the year one thousand nine hundred and fourteen.

W. E. ROGERS, Register.
J. Joseph O'Donnor, Attorney.

HONOR COL. GOETHALS

GOVERNOR OF PANAMA CANAL ZONE WILL BE AWARDED MEDAL AT BANQUET MARCH 5

WASHINGTON, Feb. 17.—Col. Geo. W. Goethals, governor of the Panama Canal zone, will be the chief guest and will be awarded the National Geographic Society's medal of honor at his annual banquet here March 5. Secretary Bryan will be toastmaster.

FITZ AND CURLEY SHAKE

FORMER MAYOR AND PRESENT EXECUTIVE SET SIDE BY SIDE AT "BOOST BOSTON" MEETING

BOSTON, Feb. 17.—Harmony, a hitherto somewhat lacking quality in the "Boost Boston" campaign, developed at the public meeting of the campaign committee, convened here last evening in the Aldermanic chamber at city hall yesterday afternoon. A spirit of co-operation, brought to the meeting by business men and past and present city officials, sat at harmony's right hand.

Former Mayor Fitzgerald put his shoulder to the wheel of the "Boost Boston" campaign. He not only gave the movement a heavy push forward by oral endorsement in a characteristic "Boost Boston" speech, but he also authorized the committee to put his name down for \$250 in the list of subscriptions.

Mayor and ex-Mayor Shake

There was no evidence of the strained relations which have been generally understood to exist between the present and former mayors. Mr. Fitzgerald accepted Mayor Curley's invitation to sit beside him at the meeting. The two shook hands cordially. The ex-mayor warmly commended the mayor for the part of the committee in the campaign, and commended the mayor's efforts to secure the city's interests.

As further proof of the presence of harmony, the mayor announced the appointment of the committee of Allen Cooper, president of the State Street Trust company, who recently clashed with the mayor over the unauthorized announcement that his banking house had contributed \$1000 to the fund, and Mr. Forbes accepted, as he had previously indicated, the would-be.

Mr. Forbes' first act as a member of the committee was to turn over to the mayor a check for \$2500 which he had brought to the meeting from Messrs. Williams.

Other contributions which were announced at the meeting by business men and firms brought the total amount subscribed to date up to \$350,000, according to the figures compiled and given out from the mayor's office.

THE STORY OF THE LINTYPE

Boston Man First in Field and They Called It a Hoax

His Machine Preceded Otto Mergenthaler's by 56 Years

That Otto Mergenthaler, who in 1874 invented the Linotype machine, was not the first to conceive the idea of a mechanical type setter is evidenced by a perusal of the following article, extracted from the American Advocate & General Advertiser, published at Hallowell, Me., in 1823, and sent to The Sun by Dr. G. M. Randall.

Is This a Hoax?

Dr. Church is now at Birmingham, England, preparing his new printing press. The compositor has only to sit before this curious piece of mechanism as he would to a pianoforte and as he strikes the keys the types all fall into their proper place with a velocity that keeps pace with the most rapid speaker. The "form" having been worked off, the types move into

DR. HALLOCK'S ELVITA PILLS
60 YEARS OF CURES
\$1 BOX FREE

A Great Nerve Remedy and Restorative. Useful for Men or Women.

Are you run down? Are you discouraged? Are you melancholy? Have you weak kidneys, with pains in back and legs? Are you threatened with rheumatism? Are you always tired, worried, blue and dependent? DR. HALLOCK CO., A THOMONT ROW

the melting pot, from which it is returned re-cast in its original state without diminution of material and hence distributed into the case quite new. One of these presses placed at the bar of the house of commons would insure a correct report of the debate. Dr. Church, the inventor is a native of Boston, New England.

By a simple example in subgraphical it develops that Dr. Church's machine preceded Mr. Mergenthaler's by 56 years.

How interesting it would be to ascertain the cause of the failure of the Church Linotype! Possibly the machine may not have been a failure, the failure may have lain in its not being appreciated. This is not unlikely. In 1823 type that was set by hand was used in the printing of newspapers. At that period those journals were fully larger than pamphlets, so that no type set by hand could be used. A machine was needed, and an absolutely necessary. As for the printing of books, that department of the craft was still in its swaddling clothes. So it is probable that the new-fangled type-setting machine was looked upon only as a toy, and if its father ever suggested that the day would come when it would play its part as a world revolutionizer, he undoubtedly was laughed at as being either crack-brained or simply nutty. History ever repeats itself.

Engulfed in Oblivion

Other than that the inventor was a doctor and that his home was in Lowell, nothing is now known of the mechanical wizard of a century ago. The name of Church is unknown in inventive annals. He dreamed his dream, then toiled away to fashion it into material form, but when this was done, for some unknown reason failed in convincing the printers of his day that his machine could be put to practical use. In none of the standard genealogical works of New England is any mention made of the physician-inventor, and though here and there we doubt one or two of many a dignified personage who derived a gentile income from the rum and slave trades. The doctor, like many another unknown genius, is engulfed in oblivion, because his ideas were too far ahead of his time.

But were the worthy good-will pusher who intimated in the American Advocate that the invention was a hoax, were that wisecracker alive today, he would reverse the opinion. One who is an up-to-date newspaper compiler, like that of The Sun, would cause him to remove his horn-rimmed spectacles. He would see a long row of pulsating Linotype machines converting rum and slaves of rum into lines and columns of lettered lead as rapidly as the agile fingers of skillful operators could slip over their keyboards.

On seeing these Linotypes in action the first question which our quill penner friend would naturally put would be: "How much faster can this type operator before me set his type than 'Zeb' Perkins, the speediest compositor we had on the American Advocate?"

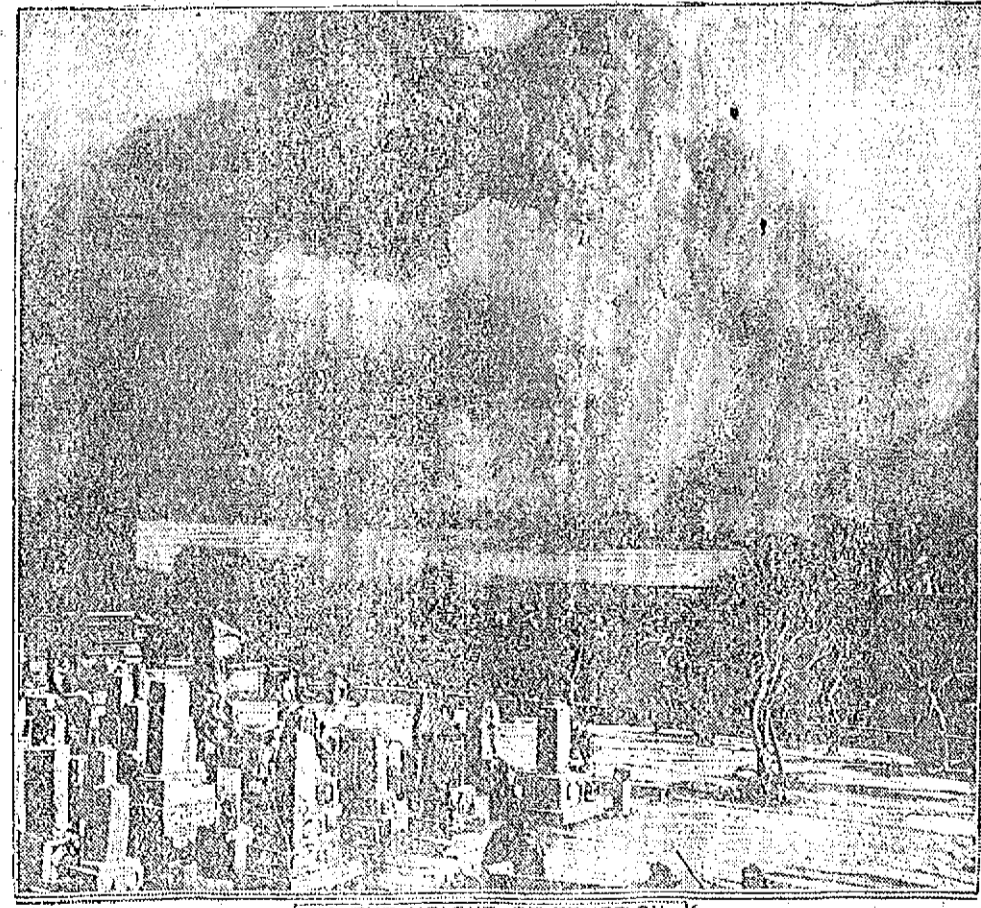

To which the reply would be: "Faster! Six times faster, for if 'Zeb' were a gilt-edged compositor he might average as high as 50 lines an hour, whereas the operator you see at that machine can turn out between 250 and 300 lines during the same period!"

The Newspaper's Influence

Yet our friend of the goose quill should not be regarded with too great derision for not appreciating the influence of the Linotype. How many readers of today's newspapers realize its truly wonderful influence on present day life. That influence is felt chiefly in the school room and in the home—the "power stations" of civilization. For if the labor and time saving cooperation of the Linotype were not man's hand servant, school books, magazines, newspapers and the masterpieces of prose and poetry and the text books of science could not be purchased at the low prices which new children and fewer people would read and fewer think.

Possibly it was these thoughts in mind that Dr. Church strove so earnestly to give the world such a machine. As far as facts are concerned, he failed, yet there can be no doubt that his idea in motion the germ which under more kindly and auspicious surroundings was developed by Mr. Mergenthaler and found fruition in the present day Linotype.

VOLCANIC ERUPTION KILLED 80,000 PEOPLE

AT THE HEIGHT OF ERUPTION

NEW YORK, Feb. 17.—Photos of scenes attending the eruption of the volcano of Sakurashima, in Japan, have just been received here. They reveal the horrors of the occasion, which flames and lava wiped out the big city of Kagoshima and killed a total of 80,000 people. The remarkable photo shown here was snapped by a daring cameraman of the American Press association, who stood in a Japanese cemetery overlooking Kagoshima watching the terrifying spectacle. Later in the day the spot from which the photo was taken was covered deep with dust and burning lava.

STRIKE DECLARED OFF RADIUM PATIENT DEAD FOR THE OLYMPIC GAMES

WAGE SCHEDULE ADJUSTED AT FALL RIVER MILLS—TO REMEDY GRIEVANCES
FALL RIVER, Feb. 17.—The strike of 6000 workers in the cordage department of the Pocasset mill was declared off today, the wage schedule being adjusted satisfactorily and the management promising to remedy the grievances regarding working conditions.

TIRES CURING IN 14 DAYS
Burlington, Feb. 17.—A patient of Dr. P. O. Ointment, who had been suffering from a severe case of rheumatism, was cured in 14 days.

MISS QUAYLE, DAUGHTER OF BISHOP QUAYLE, DIED REPAIRS FATHER ARRIVED
CHICAGO, Feb. 17.—Miss Margaret Quayle, daughter of Bishop William A. Quayle of St. Paul, died at a hospital here early today while her father was on his way to a fast train.

MISS QUAYLE HAD BEEN IN THE HOSPITAL FOR TWO WEEKS. She underwent the radium treatment for a growth on her left leg at a Baltimore hospital and was being returned to her home when she became critically ill.

GERMAN IMPERIAL PARLIAMENT TODAY ADOPTED APPROPRIATION FOR \$50,000
BERLIN, Feb. 17.—By a considerable majority the German imperial parliament today adopted an appropriation of \$50,000 for the Olympic games to be held here in 1916. The appropriation had at first been rejected by the budget committee.

THE SOCIALISTS PERSEVERED IN THEIR ATTITUDE OF PROTEST. It was explained that this was done for political reasons than hostility to the Olympic games.

FOUR SAILORS FROZEN TO DEATH; 7 RESCUED

WELLFLEET, Feb. 17.—Four sailors perished when the Italian bark Castagna was wrecked off here this morning. The seven remaining members of the crew were rescued by life-savers.

The Castagna, from Montevideo for Boston, with phosphate rock struck during a blinding snow storm and a 60 mile northeast gale early today. The beach patrol sighted her at dawn, 300 yards off shore, with the surf breaking over her and threatening to pound her to pieces.

The combined lifesaving crews from the Nauset Cabot life saving station set up their beach guns and shot three lines across the Castagna's deck but the sailors were so numbed by the cold that they were unable to handle the breeches buoy tackle. The gale had moderated to 30 miles an hour but the surf was so high that the lifesavers had to wait some time before they were able to launch their surfboat and pull out to the wreck because of the wind and sea and biting cold.

Found Frozen Bodies

Seven men helpless from exposure to the wintry gale were found on board and four frozen bodies were lashed to

the rigging. The lifesavers placed the living seamen in their lifeboat and rowed back to shore.

The survivors of the Castagna's crew were carried to the wireless station, where medical attention was given them. All were so greatly overcome by exposure that none of them could give a coherent account of the disaster.

The seven rescued men reported that Captain Garva was among those frozen to death in the rigging, the other three being members of the crew. The frost-bitten seamen were hurried to "warm quarters" in the Marconi radio station, where the entire force of operators assisted in caring for the almost helpless survivors. The women at the station had hot coffee and food waiting for them when they arrived.

None of the marines except the mate could speak English but all evidenced their gratitude for the attention shown them by the lifesavers and the Marconi force.

The weather moderated during the forenoon and the sea fell off rapidly and it was believed there was a chance of saving the bark if wrecking apparatus arrived quickly.

ASKS BRANDEIS TO SERVE MURDER CHARGE

GOV. WALSH DISCUSSES N. E. TRANSPORTATION MONOPOLY AT WASHINGTON

WASHINGTON, Feb. 17.—Governor David L. Walsh of Massachusetts conferred here today with Louis D. Brandeis of Boston, urging him to serve on the board of trustees to take over the Boston & Maine stock held by the New Haven and dispose of it to new owners as a part of the breaking of the New England transportation monopoly but Mr. Brandeis declined to do so. Governor Walsh, Chairman Howard Elliott, Moulton Storey and Walker D. Eames later conferred with Attorney General McInerney about the New Haven dissolution. Governor Walsh said the only questions confronting the conferees were the terms of an agreement for the trusteeship, the sanction of a federal court and the names of the trustees themselves. He presented a list of names to Mr. McInerney, from which it was expected the trustees would be chosen probably very soon.

LOYAL EXCELSIOR LODGE

Loyal Excelsior lodge, I. O. O. F., M. U. held its regular meeting in Post 120, G. A. R. hall, 202 Merrimack street, Monday evening. Noble Grand William Poirer was in the chair. After the routine business and the reports of the sick committee, the initiation class took charge and initiated nine new members, after which a luncheon was served. There were also songs by Joe Thompson and Fred Swindler. William Davis accompanied on the piano.

\$50,000 IN CHECKS STOLEN FROM POSTOFFICE FOUND

OTTAWA, Ont., Feb. 17.—Fifty thousand dollars in checks, drafts, and money orders belonging to the Union bank of Canada and the Union St. Joseph's society, stolen from the Ottawa postoffice on Jan. 8, were found today in a bag hidden in a lavatory in an office building. Some of the missing papers could easily have been cashed.

HEARING TO ASSESSORS

Opened Before the Municipal Council
—The Charges by Commissioner Brown and Answer of Respondents
—Witnesses Called

The municipal council this forenoon gave a hearing on charges preferred by Alderman Brown against the principal assessors, Albert E. Blazon, Jeremiah O'Sullivan and Daniel E. Hogan. Alderman Brown endeavored to prove his charges and called as witnesses City Auditor Page and Clerk Tuttle of the street department. There were frequent tiffs between Mr. Brown and counsel for the respondents on which

Mayor Murphy as presiding officer was called upon to rule. The hearing was adjourned till Wednesday, Feb. 25, at 11 a. m.

The assessors' hearing was begun before the municipal council at 11:55, the mayor reading the following order of removal presented by Commissioner Brown:

City of Lowell,
Commonwealth of Massachusetts in
Municipal Council.
Order:

Removing Albert J. Blazon, Jeremiah O'Sullivan and Daniel E. Hogan from the office of the board of assessors of the city of Lowell, and reasons therefor.

By the municipal council of the city of Lowell, as follows:

That Albert J. Blazon, Jeremiah O'Sullivan and Daniel E. Hogan, members of the board of assessors of the city of Lowell be removed.

WILL OF MRS. MANNING HOPE TO LAND STAHL BLOWN TO ATOMS

WOMAN WHO WAS KILLED BY MISS HERDMAN LEFT ALL TO HUSBAND

NEWARK, N. J., Feb. 17.—The will of Mrs. Carrie Manning, who was killed two weeks ago by Hazel Herdman, a girl of 20, madly in love with Charles I. Manning, was filed today. It was dated prior to the entrance of Miss Herdman into the domestic life of the Mannings and provided that all the wife possessed should go to the husband.

FIND BODY ON GRAVE

20 YEAR OLD GIRL WAS MURDERED AND HER BODY WAS DRAGGED INTO CEMETERY

AURORA, Ill., Feb. 17.—Tracey Hollander, a prepossessing 20 year old girl, was murdered late last night, and her body dragged into a cemetery and was thrown onto a grave, where it was found today. She was beaten to death with a heavy club. The police have arrested Anthony Pedros, a discarded sweetheart of the girl.

WOMAN KILLED BY TRAIN

MRS. JOSEPH THOMAS WAS STRUCK BY TRAIN WHILE WALKING THE TRACKS

SUNCOOK, N. H., Feb. 17.—Mrs. Joseph Thomas, aged 55, while walking through the Suncook railroad bridge at 6:30 this morning was instantly killed by the northbound passenger train. Mrs. Thomas was employed in the China mills and was taking a short cut to her work.

FEDERAL LEAGUE LEADERS CONFIDENT OF GETTING FORMER RED SOX MANAGER

CHICAGO, Feb. 17.—Federal league leaders said today that they were still hopeful of landing Jake Stahl for Brooklyn manager.

A telegram warning him to "keep hands off" of Pitcher Tom Seaton was received by President Gilmore today. It was signed by W. A. Baker, president of the Nationals of Philadelphia and stated that Seaton had agreed to the Phillies' terms in January. Federal emissaries, however, probably will soon meet Stahl as they understand he has no definite agreement with the Philadelphia club.

DETAILS OF EVERS CASE

FINISHING TOUCHES WILL BE MADE AT NATIONAL LEAGUE MEETING SATURDAY

NEW YORK, Feb. 17.—Gov. Tener of Pennsylvania president of the National league has called an adjourned session of the National league and an adjourned meeting of directors of the league to be held at Hotel Hilton, Cincinnati, next Saturday at 2 o'clock. The final details of the transfer of former Second Baseman John Evers of the Chicago club to the Boston club will be completed at that time.

AVIATOR WAS DROWNED

LIEUT. J. McMURRAY LOST HIS LIFE WHEN HIS AEROPLANE PLUNGED INTO PENSACOLA BAY

PENSACOLA, Fla., Feb. 17.—Drowning caused the death of Lieut. J. McMurray of the navy aviation corps when his hydro aeroplane plunged into Pensacola bay. This was established today. At first it was thought he had been killed by an explosion of the engine, or by injuries sustained in his crash. An examination by physicians showed his body to be almost unrecognizable by the accident. Officials of the navy station said death was doubtless due to his inability to free himself from the floating wreckage.

\$29,000,000 W. U. STOCK

MURKIN NOTIFIED OF INTENTION TO UNDERWRITE STOCK NOW OWNED BY AM. TEL. & TEL.

WASHINGTON, Feb. 17.—Attorney General McKim today said he had been apprised in advance of the intention of financial syndicate to underwrite \$29,000,000 Western Union stock now owned by the American Telephone & Telegraph Co. He said he saw no objection to the plan as outlined to him and understood it was intended to carry out the recent agreement with the department of justice.

Man Killed in Explosion In Mixing House of Powder Co.

BLAIRSVILLE, Penn., Feb. 17.—With a roar that was heard 20 miles away, the mixing house of the West Penn Powder Co. located at Tunnelton, six miles from here was blown to pieces by an explosion today.

Robert Laughter was killed and another workman mortally injured. Two other men employed at the plant could not be found. A telephone message from near the plant soon after the explosion said the plant had taken fire and was burning.

PARLIAMENTARY SCANDAL

IN CONNECTION WITH PURCHASE OF MARCONI SHARES, WAS REVIVED TODAY

LONDON, Feb. 17.—The recent parliamentary scandal in connection with the purchase of Marconi shares by members of the British cabinet was revived today in the house of lords, together with the whole question of the secrecy of party funds and the purchasing of titles of nobility.

Lord Murray of Elibank, who a short time ago returned from Central America, where he had acted as the agent for the projects of Lord Cowdrey, made his first appearance in the upper house, where he gave a statement of his dealings in the American Marconi shares, before he was enabled to while he was the chief liberal whip in the house of commons. He said that when he had purchased the American Marconi shares he was convinced that the American company had nothing to do with the British government contracts and was distinct from the English Marconi company. Looking back now, he said, he thought it might have occurred to him that his action might be open to criticism. He concluded: "I deeply regret I did not give the matter more consideration and view it from all possible aspects. It was an error of judgment and not of intention."

Lord Murray shared in the speculations in Marconi shares made by Godfrey C. Isaacs, managing director of the Marconi company.

VETERAN TELEGRAPHER DEAD

OMAHA, Neb., Feb. 17.—Geo. Nalle, one of the oldest telegraphers in the United States, died at his home here this afternoon. He attained the age of 76 years. He was connected with the army telegraph service during the Civil war.

MEMBERS, NOTICE

All members of the Celtic Associates and Maugher Guards will meet at their hall, Wednesday night, Feb. 18th, at 8 o'clock, to take action on the death of Brother Member John Murnigham.

President.

Third Edition INITIATIVE PETITION IS NOW COMPLETE

The city council was as far off schedule today as were the trolley cars a few days ago. The business meeting was scheduled for 10 o'clock and the assessors' hearing for 11 o'clock and it was 11:29 before the mayor or any of the commissioners put in an appearance, in the council chamber. The news of the hearing on the assessors matter brought a crowd to the hall and when the meeting was called every seat was taken on the floor and in the gallery, and the corridors were blocked.

Mayor Murphy called the business meeting to order at 11:25, with all members present.

The first business had to do with petitions for pole locations and wire attachments.

Charles Kirkpatrick objected to a petition by the N. E. T. & T. Co. for a pole location in June street. He said he was refused a telephone in his home because he was opposed to the pole location in question. The mayor read a petition objecting to the pole in June street. The petition had several signatures and the petitioners were given leave to withdraw.

Other petitions of a like character were referred to the commissioners of streets and highways and public property.

Fish and Game Warden

The petition of Harry L. Gonzales for appointment as fish and game warden was read by the mayor, it being necessary for the council to pass upon the matter before appointment by the fish and game commission.

Commissioner Morse read a letter from the fish and game commission setting forth the law in the matter, but did not recommend an appointment.

There were similar petitions for appointments as fish and game warden including Emory L. Houghton and others and on motion of Commissioner Brown the matter was laid over until the next meeting.

Notice of claims for personal injury were referred to the city solicitor.

The initiative

The mayor then called attention to

the fact that City Clerk Flynn had filed a certificate of sufficiency of names to the initiative papers. The clerk's certificate of sufficiency includes the following:

To the Municipal Council of the City of Lowell:

Gentlemen: Pursuant to the provisions of section 60, chapter 616, acts of 1911, I hereby present to the municipal council a supplementary (initiative) petition heretofore attached, and I certify that I have examined said supplementary petition heretofore presented pursuant to section 60, chapter 616, acts of 1911.

I certify that the supplementary (initiative) petition heretofore attached and numbered from 135 to 168 inclusive, and purporting to be supplementary to initiative petition previously filed, has been examined and re-examined by me to ascertain the number of signatures of voters qualified to vote appearing themselves with the following results:

Number of signatures hereby duly certified as provided in part D, section 60, lines 51 to 58 inclusive, and section 58, lines 21 to 24 inclusive—729.

Number of signatures certified on original initiative petition, 2142.

Total number of names certified, 2912.

Commissioner Brown moved that the council rescind its action whereby the matter of the purchase of the Pillsbury estate for a contagious hospital site be referred to the next annual city election.

Mr. Brown's motion was not seconded and he made another motion in writing. The second motion was not seconded and he presented a third motion in writing.

Notice of order of Mr. Brown appealed from the decision of the chair and the council upheld the decision of the mayor.

Keeper of Lockup

It was moved, seconded and voted that Redmond Welch be elected keeper of the lockup for the present year. This is a perfunctory matter and by the way, was the first election of the year.

DIED SUDDENLY

J. G. Bergeron Passed Away at Boarding House in Ward St.

Joseph George Bergeron, a well-known carpenter in the employ of the Boston & Maine railroad, died suddenly early this morning at his boarding house, 34 Ward street, the cause of death being heart disease.

Bergeron went to work yesterday morning, but at 10 o'clock he gave up the job and went to his boarding house, and complained of not feeling well. In the evening, however, he was better and stayed up until nearly 12 o'clock. He then retired, but a short time later he got out of bed and told his boarding mistress he could not sleep and was feeling worse. Several attempts were made to secure a physician, but for some reason or other a doctor could not be located until 3 o'clock and when the physician arrived at the home, the man had passed away.

The body was viewed by Medical Examiner J. V. Meigs this morning and the death certificate was signed heart disease. Deceased was 40 years, 2 months and 7 days old, is survived by two sisters, Miss Amanda Bergeron of this city and Mrs. Wilfred Brown of Hartford, Conn. The body was later removed to the home of the sister, Miss Amanda Bergeron, 33 Melvin street.

GORE CASE GOES TO JURY

JUDGE CLARK SAYS THAT PAST CHARACTER OF MRS. BOND OR GORE HAD NO BEARING

OKLAHOMA CITY, Okla., Feb. 17.—The case of Mrs. Minnie Bond, who is asking \$50,000 damages from Thomas Gore, United States senator from this state, on the grounds of assault which she charges was committed in a Washington hotel, was given to the jury for decision today.

Judge Clark instructed the jury to judge the evidence and credibility of the witnesses both for the plaintiff and the defense, impartially. Regarding the conspiracy charged by the senator, the jury was told that if there was a conspiracy and it was known to Mrs. Bond when she was a party to it and not entitled to recover damages.

As to character, the instructions said, the past character of Mrs. Bond or Gore had no bearing on the case. The court said that if the jury found that an assault had been committed then a verdict should be returned for the plaintiff. If there was no assault or if there had been a conspiracy in which Mrs. Bond was a party then the verdict must be for the defendant, the court held.

RUBE WADDELL DYING

THE FAMOUS BASEBALL PITCHER IN SERIOUS CONDITION AT SAN ANTONIO, TEXAS

SAN ANTONIO, Texas, Feb. 17.—Rube Waddell, the famous baseball pitcher, formerly in the major leagues, who is in the hospital here suffering from a bronchial affection, was reported today in a serious condition. Rube was brought here recently from Boerne, Texas.

OFFICERS OF THE MONROE

EXAMINATION CONTINUED BEFORE U. S. STEAMBOAT COMMISSIONERS TODAY

PHILADELPHIA, Feb. 17.—Examination of officers of the steamer Monroe, sunk by the Nantucket off the Virginia coast on Jan. 30 with the loss of 41 lives, was continued today before the United States steamboat inspectors who are trying Capt. Osmya Berry of the Nantucket, charged with negligence.

John H. Perkins, chief engineer of the Monroe, testified to what the engine of the ship was doing that night. He expressed the opinion that some of the passengers did not get out of their rooms before the ship sank.

STATE PRINTING COSTLY

Secretary of State's Report Tells the Story—Towns Discard Public Documents

The 22d annual report of the secretary of state, Frank J. Donahue, contains interesting reading and the following appears under the head of "Document Division":

There were printed under the direction of this office, during the year, in the public document series (numbering 55 different reports), 225,000 volumes—a decrease of 45% volume. Of this number 210,700 were distributed, being supplied to members of the general court, to cities and towns, public colleges, libraries and to the general public.

In addition to the public document series there were printed and received for distribution 76,000 copies of the pamphlet edition of the laws; 11,500 copies of the blue book; 13,500 copies of the Manual for the General Court; 700 copies each of the Senate and House Journals; 10,000 copies of laws relating to elections; 750 copies of the 47th annual report of the department of Massachusetts, G. A. R.; 453 copies each of term reports Nos. 211, 212 and 213, total, 1,359 copies; 1,600 copies of the records of the Massachusetts militia in the war of 1812-14; 300 copies of the commission on the support of dependent minor children of widowed mothers (House, No. 2075); 500 copies supplement to revised laws; 550 copies report of the electoral college; 300 copies of the report of the commission on part-time education; 1500 copies of the cumulative index; 300 copies of the report of Connecticut valley waterway board on an investigation of the Connecticut river; 1200 copies of special laws, Vol. 21; 500 copies of the con-

BEAUTIFUL HAIR—A Backache a Warning

CLEAN, COOL SCALP You Should Heed

Use Parisian Sage. It Makes the Hair Soft, Wavy, Abundant—Cleanses and Invigorates the Scalp.

It is needless for you to have hair that is anything short of perfect. If it is falling out, losing color, splitting, or if the scalp burns and itches, immediately get from your druggist a 50 cent bottle of Parisian Sage—use it frequently—the first application removes dandruff, invigorates the scalp, and beautifies the hair until it is gloriously radiant.

Parisian Sage supplies hair needs—it is perfectly harmless. It contains the exact elements required to make the hair soft, wavy, glossy, and to make it grow thick and beautiful.

You will surely like Parisian Sage. It is one of the best and most delightful hair tonics known and is always sold with agreement to refund the money if you are not satisfied.

No one can be well and healthy unless the kidneys work properly and keep the blood pure. When they become clogged up and inactive, nature has a way of warning you.

Backache is one of the first symptoms. You may also be troubled with disagreeable, annoying bladder disorders; have attacks of lumbago or rheumatism; become nervous, tired, and feel all worn-out; puffy swellings show under the eyes or in the feet and ankles; and many other symptoms are noticed. If they are neglected, dropsy, diabetes or Bright's disease, which so often prove fatal, may result.

It is not only dangerous, but needless for you to suffer and endure the tortures of these troubles, for the new discovery, Croxone, quickly and surely ends all such misery.

There is no more effective remedy known for the prompt cure of all such troubles than this new, scientific preparation, because it removes the cause. It soaks right into the kidneys, through the clogged up pores; neutralizes and dissolves the poisonous uric acid and wastes that lodge in the joints and muscles and cause those terrible rheumatic pains, and makes the kidneys filter and sift the poison out of the blood and drive it from the system.

You will find Croxone different from all other remedies. There is nothing else on earth like it. It is so prepared that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price of Croxone should fail in a single case. Three doses a day for a few days is often all that is ever needed to cure the worst backache, relieve rheumatic pains, or overcome urinary disorders.

MAN LOST IN FIRE

3 Injured in Spectacular Blaze in Boston Building—Loss \$25,000

BOSTON, Feb. 17.—In a spectacular two-alarm fire in the six-story building 130 to 132 Lincoln street last night one man is believed to have been burned to death, one policeman, two firemen were seriously injured, and three other firemen barely escaped with their lives when they were hurled to the ground by a terrific hot air explosion which seemed to shake the building and sent the flames shooting high into the air. The property loss was about \$25,000.

The man who is thought to have lost his life is Thomas P. Harvey, 40, a plate printer living at 2 Pleasant street court, Charlestown.

He was at work on the sixth floor in the plant of the Elite Engraving Company, when the fire was discovered.

When Pretat discovered smoke coming from the floor below, he notified fire headquarters by telephone, and sent Harvey downstairs to open the front door for the firemen.

Pretat, who lives at 36 Stockton street, Dorchester, says that Harvey could not open the door and came up stairs again. Pretat told him to follow him to the fire escape, but Harvey insisted that he should get his coat first. Pretat went out on the fire escape and had just reached the stairway to descend when the terrific hot air explosion occurred on the fifth floor, blowing out the great iron shutters in the rear of the building and sending the flames shooting high in the air.

He ran back and called to Harvey again but could find no trace of him. He then descended to the third floor, where he made the rest of the descent down a ladder placed by the members of Ladder 18.

The fire, which started on the fourth floor, occupied by Masterson Bros., last makers, and J. E. Peckham & Co., agents, made rapid headway and worked its way up into the fifth floor, where the hot air explosion occurred.

Towns Discarding Public Documents

Under the provisions of chapter 93 of the acts of 1913 the trustees of 3 town libraries voted during the year not to keep or receive certain books and reports which the secretary is authorized to send to such libraries, and at the request of the commissioner of public records this office has during the year discontinued sending the books and reports designated to the following libraries: Granby, Georgetown, Lakewood, Leverett, Manchester, Middlefield, Ware, and West Stockbridge. Three of these libraries, Granby, Lakewood and West Stockbridge, request the discontinuing of all the books and reports which the secretary is authorized to send, and in other cases the books and reports designated include, among others, the public document series, blue books and reports of capital trials.

Towns Discarding Public Documents

Under the provisions of chapter 422 of the acts of 1908, "An act relative to the distribution of public documents to cities and towns," 12 towns voted during the year not to receive the series of public documents, and upon the recommendation of the commissioner of public records, who reports that, in his opinion, such towns are unable to make suitable provision for the care and use of such documents, this office has during the year discontinued sending them to the following towns: Barre, Blandford, Dartmouth, Hancock, Medford, Nantucket, Savoy, Scituate, Shutesbury, South Hadley, Sutton and Warwick. These, added to those previously discarding the public document series, make 15 towns to which these books are not sent.

In my opinion the above cited chapter relative to a city or town discarding the receipt of the so-called public document series is an absurdity. To discontinue receiving the series, a city or town must, at an annual city or town meeting, vote not to receive the series, and then the commissioner of public records must report to the legislature that the city or town is unable to make suitable provision for the care and use of such documents. This action by both city or town and the commissioner of public records is necessary before the secretary can discontinue sending the series; so that even if the city or town does not desire such series, it must continue to receive them unless

ONE SOUL FOR 2 WOMEN

MRS. BATES SAYS THAT IS WHAT HER HUSBAND TOLD HER WHEN SHE COMPLAINED

HAVERHILL, Feb. 17.—Mrs. Louie L. Bates testifying yesterday against her husband and his "spirit" companion, Mrs. Rose Manning, before Judge Winn, said that when she spoke to her husband about his relations with Mrs. Manning at the Bates home, Bates told her that one soul pervaded both herself and Mrs. Manning.

"He told me each was a complement of the other and in that way we were the same," said Mrs. Bates. This she stated after she had testified that Bates, Mrs. Manning and her daughter, and the Bates family—herself and five children—lived in the same room in a papered shack at Ward Hill.

No defense was offered, this coming as a surprise at the close of the trial. A sensation was caused by the discovery that a brother and a sister of Bates are pressing the prosecution, they having engaged a lawyer to assist.

In the months between August and October, while Mrs. Manning was there, Bates answered her in this manner when she remonstrated with him about his relations with the woman, she testified. Continuing, she said that their sleeping compartments were three bunks and a couch bed, so that Bates often occupied the same bed as Mrs. Manning.

After hearing the startling story told by Mrs. Bates, Judge Winn said he should have to find Bates guilty on all three counts—adultery, assault and battery and failure to provide for his wife and children. As soon as this announcement was made, however, Judge John J. Ryan, Mrs. Bates' counsel, said he would show that Bates was insane, and after a conference the judge allowed the case to go over until today when he will make final disposition.

It is understood that Bates will plead today that he is insane and that he will then be committed for observation. Mrs. Manning, who was yesterday arrested on a statutory charge, probably will then be sent to Sherborn, and her 13-year-old daughter likely will be taken in charge by the state board of charity.

518 LIVES IN PERIL

In Hurricane and Blizzard Which Lashed From Sea—Liner Roma Plunged on Rocky Shore

GAYHEAD, Feb. 17.—In the hurricane and blizzard which lashed inward from the sea yesterday, the Fabre Steamship company's transatlantic liner Roma, with 418 passengers and crew of 100 men, plunged on the rocky shore of No Man's Land, late yesterday afternoon, and after a terrific six-hour struggle with the huge waves and breakers wildly hurling against her, succeeded in backing from her perilous position with the aid of a tug.

The Roma was bound for Providence and New York from Marseilles. Meagre wireless reports reaching through the storm for a time gave confused messages from the stricken steamer and left for distressing hours, a doubt of her ability to escape from the jagged shore.

The static conditions were bad and wireless communication which has so often proven the salvation of vessels in distress for some time were most uncertain.

Brave efforts were made by life-savers to respond to the Roma's calls for help. Her radio messages reached the revenue cutter's Itasca, Acushnet and Gretham, which immediately started to her assistance.

Success, however, was delayed by the blinding storm which was borne on the wings of the 70-mile-an-hour wind, which made navigation in the vicinity of the forbidding land hazardous.

Due south of No Man's Land, and at the extreme western end of Martin's Vineyard, the men of the Gay Head life saving station tried valiantly, but unsuccessfully, to launch their boats in the teeth of the gale. Before them was an eight-mile row, but their willingness to attempt the work came to naught through the severity of the elements.

Cutters Duck Blizard

It was 10 o'clock last night before the revenue cutter Itasca, which was off the eastern end of Long Island, and the Acushnet, which put out from New Bedford, could negotiate the ocean miles to aid the Roma. For hours they battled with the blizzard making but slow headway in the teeth of the gale.

The Roma was due in Providence last Saturday, but heavy gales and giant seas held her back from making her scheduled run. She reached the American coast in the height of the gale which was central last night off Nantucket.

The Roma had apparently been driven 20 miles from her course, which lies along what is known as the "20-fathom curve," when she encountered the

58 HURT IN COLLISION

PASSENGER TRAINS COLLIDE—CHAIR CAR AND SLEEPER HURLED DOWN EMBANKMENT

SPRINGFIELD, Mo., Feb. 17.—Eighty persons were seriously injured and fifty slightly hurt in the collision which occurred early today at Nichols Junction, four miles west of here, between two passenger trains on the St. Louis & San Francisco railroad. Both trains, No. 8, bound from Joplin and the west to Springfield, and No. 104, bound from Springfield to Kansas City, were proceeding slowly when the accident occurred. No. 8 struck No. 104 sidewise as the latter was leaving a switch, hurling the engine of the Kansas City train off the track and its chair car and sleeper down a ten foot embankment.

ALTITUDES IN INDIANA

A recent publication of the United States geological survey—bulletin 555—should be of considerable importance to engineers and surveyors. It shows the exact elevation above mean sea level of more than 750 points in Indiana, as determined by spirit leveling done by the survey from 1897 to 1911, inclusive, under the direction of R. B. Marshall, chief geographer.

These exact elevations have been determined by the geological survey in connection with its topographic mapping. Their value as starting points for engineering projects that require their own surveys is evident.

Though the elevations are shown on the survey's topographic maps of areas in Indiana, they are stated on the maps only to the nearest foot, whereas the bulletin gives the elevation to thousandths of a foot. For example, the bulletin is cited the following statement descriptive of the highest point noted in the bulletin:

Lanesville, 3.8 miles east of, on Ellettsville pike at road west, in front yard of W. M. Brown's residence; iron post stamped "211" 5-30,836 feet.

The numbers stamped on geological survey bench marks represent the elevations to the nearest foot as determined by the levelman. These numbers are stamped with a 16 steel dies on tablets of post caps, to the left of the word "Feet".

A copy of bulletin 555 may be obtained free on application to the director of the geological survey, Washington, D. C.

LAWRENCE HIGH BEATEN

Lowell High Defeated Rivals in Dual Track Meet — Captain Bowers Sets up Record

In one of the closest and most exciting dual track meets ever pulled off at the high school annex indoor track Lowell high defeated Lawrence high last night by the score of 43 to 34. The result of the meet depended upon the relay race which was won by Captain Bowers' quartet by nearly half a lap.

All of the events were well contested and in none of them did the winner have a walkaway. Lawrence finished

CAPTAIN VARNUM BOWERS, Who Set Up New Record in 600 Yard Run.

three men in the 300 yard dash, and Lowell retaliated by sending home three winners in the 600 yard run and the low hurdle race but in each the events were not decided until close to the tape.

New Records Made

Captain Bowers set up a new record in the 600 yard run, running his race in wonderful style and romping home an easy winner a fraction of a second under the existing mark. There is no doubt but what the Lowell distance man could have clipped off several seconds from his time of last night if

he had been pushed.

Lawrence high also put over a distance man who made a mark in the mile run. Levine, who was running as a teammate to Ganley, burst into the lead on the fourth from the last lap and from that time until the tape was broken fought it out with Randall of Lowell for first position. The Lawrence boy showed the greater stamina, however, and ran the local athletes of his team in the last two laps. His time 5 min. 9 sec., was remarkably good when the track features are taken into consideration.

Capt. Burckel & Star

Captain Burckel of the visitors proved himself a wonderful all around athlete by his performances last night. Besides winning the shot put and tying for first place in the high jump with his teammate Todd Burckel got into the finals of the hurdles as well as the sprints and made the going fast in all of them.

The real hero of the meet, however, was Captain Bowers of the local team for his work in every detail was glib. In the 1000 yard, as well as the 600 yard, he timed his race to perfection and came down the stretch for the last time in splendid form. His running in the relay was also a feature.

Delaney Won 30 Yard Event

Delaney of Lawrence went out and brought home the 300 yard event with his second and Marsden third. All of the Lowell entries hit the first bank high and seemed lost on the stretches. Marsden proved a difficult man to pass and allowed his way to third place. Delaney was never headed after coming off the first corner.

The local quartet of 300 yarders had an easy time in the relay. Although Blair reached the first bank in the lead Delorme passed him on the second lap and from that time on the Lowell relay men simply piled up a lead. Every Lawrence runner fought it out hard, however, and the race demonstrated the gameness of the down river team.

The Summary

The summary of the meet is as follows:

30-yard dash: First heat, won by Libbey, Lowell, and Beals, Lowell, second, time 3.4-5 sec. Second heat, won by Cahill, Lowell, and Burckel, Lawrence, second, time 4 sec. Third heat, won by Delaney, Lawrence, and Heathcock, Lowell, second, time 4 sec. Fourth heat, won by Cunningham, Lowell, and Marsden, Lawrence, second, time 3.4-5 sec. First semi-final heat, won by Libbey, Lowell, and Burckel, Lawrence, second, time 3.4-5 sec. Second semi-final heat, won by Cunningham, Lowell, and Marsden, Lawrence, second, time 3.4-5 sec. Final heat, won by Libbey, Lowell, and Burckel, Lawrence, second, time 3.4-5 sec.

Score: Lowell 43, Lawrence 34.

1000-yard run: Won by Capt. Bowers, Lowell; second, Levine, Lawrence, and Larrett, Lowell, third, time 2 min. 44.5 sec.

Score: Lowell 12, Lawrence 15.

Running high jump: Won by Capt. Burckel, Lowell; second, Todd, Lawrence, second, and Buchanan, Hildreth and Babin, Lowell, tied for third place. Height, 5 ft.

Score: Lowell 13, Lawrence 23.

Grammar school team race, (800 yds.): Won by the Highland grammar school, Lowell, time 1 min. 55 sec.

600-yard run: Won by Bowers, Lowell; Heathcock, Lowell, second and

Have You Dyspepsia?

Can't Eat—Can't Sleep—Always In Pain and Suffering

"Eat What You Want," Says This Physician

"Indigestion" and practically all forms of stomach trouble are, in almost every instance, due to hyperacidity. Too much acid first produces dyspepsia and indigestion; next the stomach walls become irritated and it is only a short time until it eats its way through the walls, causing ulcers in the abdomen, which in turn are followed by cancer and death; therefore stomach sufferers are required to avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspepsia and stomach sufferers are usually so lacking in that vital energy which can only come from a well-fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy sweet or fatty foods, and are trying to keep up a miserable existence on gluten products, I would suggest that you try a meal of food or foods which you may like in moderate amount, taking immediately afterwards a teaspoonful of Magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bismarcked Magnesia is doubtless the best food corrective and antacid known. Drugs only upset the stomach. Bismarcked Magnesia has a neutral action on the stomach, but by neutralizing the acidity of the stomach contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, it does more than could possibly be done by any drug. As a physician I believe in the use of medicine whenever necessary, but I cannot see the sense of dosing an inflamed and irritated stomach with drugs instead of getting rid of the acid—the cause of all the trouble. A little bismarcked Magnesia from your druggist, eat what you want at your next meal, take some of the bismarcked Magnesia as directed above, and you will find you sleep well and the usual belching, gas, sour stomach, bloating, indigestion and other conditions entirely removed."

Douglas, Lowell, third. Time: 1 min. 23.5 sec.

Score: Lowell 23, Lawrence 38.

Shot-put: Won by Capt. Burckel, Lowell; Cahill, Lowell, second and Duval, Lowell, third. Distance: 41 feet, 3 1/2 inches.

Score: Lowell 25, Lawrence 26.

35-yard hurdles: First heat won by Libbey, Lowell, and Captain Burckel, Lawrence, second. Time: 5 seconds. Second heat won by Cunningham, Lowell, and Cahill, Lowell, second. Time: 14.5 seconds. Final heat won by Cunningham, Lowell; Cahill, Lowell; second and Libbey, Lowell, third. Time: 4.4-5 seconds.

Score: Lowell 35, Lawrence 28.

Mile run: Won by Levine, Lawrence; Randall, Lowell, second, and Ganley, Lawrence, third. Time: 6 min. 30 sec.

Score: Lowell 38, Lawrence 34.

1200-yard team race: Won by Lowell (DeLorme, Cahill, Heathcock and Capt. Bowers). Time: 2 minutes, 41 seconds.

Final score: Lowell 43, Lawrence 34.

PASSENGERS IN PANIC

QUEEN CITY, LARGEST PACKET ON THE OHIO RIVER RANMED AROUND

LOUISVILLE, Ky., Feb. 11.—One hundred and ten passengers, including many women, were thrown into panic early today when the Queen City, the largest packet on the Ohio river, ranmed aground at the head of Ohio Falls opposite here after a strong current had almost carried her over. The vessel was en route from Pittsburgh to New Orleans on an annual Mardi Gras excursion.

When lifesavers from the local station reached the steamer in response to her distress signals they found the hull lined with half dressed, frightened passengers, several of whom were about to leap into the icy water. All the passengers were taken off.

DEFENDS BUTLER RECORD

Grandson of Officer in Open Letter Takes Exception to Remarks in Opposition to Monument

BOSTON, Feb. 17.—Adelbert Ames Jr., grandson of Gen. Benjamin F. Butler, has written an open letter to Moorfield Storey, Esq., who appeared before the legislative committee in opposition to the bill for a Butler monument.

He bases his remarks upon a stenographic report of the hearing at which Mr. Storey appeared, and takes sharp issue with him on many points. Mr. Ames' letter.

The letter in part is as follows:

"Moorfield Storey, Esq.,

"Dear Sir—The press reports of the remarks made by you, Messrs. H. L. Higginson, F. S. Russell, James F. Rhodes, N. P. Halliwell and others in opposition to the erection of a statue to my grandfather, General Benjamin F. Butler, at hearings before the committee of the legislature in previous years have been sufficient to indicate your attitude toward the general nature of the motive which influenced you and those other remonstrators; but it was not until I had secured a full stenographic report of the statements made at the hearing before the committee of the legislature of Feb. 5 of this year that I fully realized the real nature of what was being represented to the legislature as facts, and which, by frequent repetition, I fear, have come to be regarded by a not inconsiderable portion of the public as true.

"The committee, however, appears in what the journals of the house of representatives of that time, say, 'On page 91 of the Journal of the House of Representatives of 1893 appears this entry of Jan. 19, 1893: Mr. Ames of Lowell presented petition of Mary A. Allen and other citizens of Lowell, praying for the erection of a statue to General Butler in honor of his services in the war of 1861-62, and for the purchase of a site for the same. The petition was referred to the joint special committee on that subject. Committee yet not named.'

"The Journal of the House of Representatives of 1892, page 11, contains the following entry: Mr. Butler of Lowell—the petition of H. L. Langley and others of South Boston in favor of the Ten-Hour law. And under date of Feb. 14 the following entry: Mr. Butler of Lowell, the petition of Amanda Richardson and 800 others of Lowell for a Ten-Hour law. Referred to the joint special committee.

"And then, Mr. Storey, you continued in your statement: 'And when they undertake to say that these gentlemen in the Back Bay are the owners of mills it is worth while to observe that he was the owner of the majority of the stock in the Middlesex company. General Butler, through his entire career, was very glad to catch votes by promises, but when he came to performance he gave his constituents. Now, the real trouble with Butler was this, that from the beginning to the end of his career he was professing great regard for the laboring man, he was professing at times great regard for the colored man; but in practice he was always looking out for General Butler.'

"The truth is that, of 5000 shares of Middlesex company stock outstanding until 1861 and 7500 shares after 1861, the largest amount owned by General Butler at any time, personally and as trustee, was 470 of these shares; and if 21 shares owned by his wife were added as subject to his control, the number would be increased to only 491 out of 5000 or 7500 outstanding.

"Leaving your remarks as to his sincerity as a friend of labor, I come now to your statements with reference to his connection with the Soldiers' Home. Your words were these: 'The representative and trustee of the Soldiers' Home, he professed great regard for these soldiers. The evidence shows that he took the funds of soldiers and mixed them with his bank account and pocketed the interest, and after his death a judgment of \$18,000 was rendered against him in the supreme court and that \$18,000 was money which he had taken from the soldiers and put into his own pocket, and which his executors had to pay.'

Soldiers' Home Dispute

"In brief, the facts are that General Butler not only professed but had great regard for the soldiers interested in the Soldiers' Home, and labored hard and faithfully, without remuneration in their interests, as acting treasurer he handled funds for the home which totalled over \$1,000,000, and at least once, when temporary assistance was needed by the home, he advanced his own money in a considerable amount to bridge over the situation until the receipts of the organization were sufficient. His personal account and his account as treasurer were kept by a single accountant and financial agent and General Butler himself did not interfere with the keeping of the accounts. The accounts were in a form satisfactory to the auditors appointed by the governing board, who yearly examined and approved them and whose certifications clearly appear on the books which are still in existence.

"The disputes to which you refer concerned two complaints, one backing entries and impositions between the acting-treasurer of the eastern branch home of the National Home for Disabled Volunteer Soldiers and the financial agent of General Butler, who was acting-treasurer of the National Home for Disabled Volunteer Soldiers. These entries together represent a sum of approximately \$18,000 and the dispute involved no question of interest whatever except on that amount, but only a question which the court described as 'complicated and confused,' whether these entries represented money which had not been accounted for by Gen. Butler through other entries. Besides the entry of the sums appeared in the agents' writings, the words 'no money raised from J. C. (the agent) to settle these. They offset an advance to Titton. General Butler, relying upon his own knowledge, upon the certification of the board of auditors that he did not owe the sum, and upon the certification of

What So Precious As a Healthy Baby?

Every Youngster Can Have Fine Digestion If Given a Good Baby Laxative

In spite of the greatest personal care and the most intelligent attention to diet, babies and children will become constipated, and it is a fact that constipation and indigestion have wrecked many a young life. To start with a good digestive apparatus is to start life without handicap.

But, as we cannot all have perfect working bowels, we must do the next best thing and acquire them, or train them to become healthy. This can be done by the use of a laxative-tonic very highly recommended by a great many mothers. The remedy is called Dr. Caldwell's Syrup Pepsin and has been on the market for two generations. It can be bought conveniently at any drug store for fifty cents or one dollar a bottle, and those who are already convinced of its merits buy the dollar size.

Its mildness makes it the ideal medicine for children, and it is also very pleasant to the taste. It is sure in its effect, and is entirely harmless. Frequent use does not cause it to lose its effect, as is the case with so many other remedies.

It can testify to its merits in constipation, indigestion, biliousness, sick headaches, etc., among them reliable people like Mrs. James R. Emerson of Marlboro, Wis. Her little son Howard was fifteen months old last April, but he was sick with bowels trouble from birth and suffered intensely. Since Mrs. Rouse has been

HOWARD ROUSE giving him Dr. Caldwell's Syrup Pepsin all trouble has disappeared and the boy is becoming robust.

Thousands keep Dr. Caldwell's Syrup Pepsin constantly in the house, for every member of the family can use it from infancy to old age. The users of Syrup Pepsin have learned to avoid catarrhs, salts, mineral waters, pills and other harsh remedies for they do not temporary good and are a shock to any delicate system.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. S. Caldwell, 419 Washington St., Monticello, N. Y. A postal card with your name and address on it will do.

LOCAL NEWS

Mr. and Mrs. M. Conway and John Leland of Lowell sailed today for Europe on the Prinz Frederick Wilhelm.

Rev. John Elinen, pastor of the Swedish Congregational church, left yesterday for Pigeon Cove, where he will remain during the week.

Smoke pouring from a furnace in a house at 321 Pine street was responsible for a telephone alarm about 5:45 o'clock yesterday. On the arrival of the fire apparatus it was learned that there was no fire, except what was in the furnace. The regulation of the draughts sent the smoke in the right direction. The alarm was needless.

The snow is so deep on the skating rink at Shedd park that Park Superintendent Kernan says he will allow the snow to remain. He says it would cost too much to remove it. Mr. Kernan and his men worked the way part of last night plowing ways through the snow on the parks and commons and this morning they removed the snow at city hall and soldiers' monument.

Half a dozen pheasants are making their winter headquarters at Fort Hill park and it was reported yesterday to the game warden that some young men were attempting to snare the feathered beauties. Smoke Inspector Riley saw the pheasants at Fort Hill and upon hearing that attempts had been made to snare them the inspector reported the matter to the game warden.

WHAT'S INDIGESTION? WHO CARES? LISTEN!

"Pape's Diapiesin" Makes Sour, Gassy Stomachs Feel Fine At Once

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eruptions of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain indigestion remedy in the whole world, and besides it is harmless.

Millions of men and women now eat their favorite foods without fear, they know Pape's Diapiesin will save them from any stomach misery.

Please, for your sake, get a large fifty cent case of Pape's Diapiesin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of a belch in the stomach.

Pape's Diapiesin belongs in your home anyway. Should one of the family eat something which doesn't agree with them, or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night, it is handy to give the quickest, surest relief known.

PRISONER IN BATH TUB

\$1000 FIRE CUT OFF TEACHER FROM HIS CLOTHES—WRAPPED IN A RAINCOAT, FOUGHT FLAMES

NEW BEDFORD, Feb. 17.—A \$1000 fire in the Corson building at 7 1/2 o'clock this morning destroyed the effects of A. S. Todd, teacher of classics in the high school, while he was in the bathtub and cut him off from his clothes. Mr. Todd wrapped himself in a raincoat and was found by the firemen fighting the flames with E. L. Gilbert, principal of the Parker grammar school, who was clad only in a union suit.

BATES IS INSANE

HAVERHILL, Feb. 17.—Lorin M. Bates was adjudged insane by Judge John J. Winn today and ordered committed to the insane hospital at Westboro. Following the introduction of letters in which Bates called himself a supreme being, Doctors Anthony and Croston reported to Judge Winn that Bates was a proper subject for treatment and the court adjudged him insane. The criminal complaints against Bates and Mrs. Rose G. Manning were filed. The Bates family will be taken to Boston by relatives.

FUNERALS

SMITH.—With solemn impressive services the mortal remains of the late Miss Catherine Smith were consigned today to their final resting place

in the family burial lot in St. Patrick's cemetery. The obsequies were attended by a large gathering of relatives and friends. Among the out of town people were Mr. and Mrs. J. B. Smith of Lewiston, Me.; Mr. and Mrs. Edward Morris, Boston, Mass.; Dr. Charles Donlon, Boston, Mrs. P. Keegan, Boston; Mrs. Roode, Nashua, N. H.; and Mrs. Allard of Worcester, Mass. The funeral took place at 8:30 o'clock from the home of Mrs. Mary McKee, a sister of deceased, 22 Robinson street, and proceeded to St. Peter's church where, at 9 o'clock, a solemn high mass of requiem was sung by Rev. John Burns assisted by the pastor, Rev. Dr. Keleher an deacon and Rev. W. George Sullivan as sub-deacon. There was a profusion of beautiful floral tributes including offerings from nieces and nephews, Mr. and Mrs. John R. Smith, Mrs. S. B. Bailey of Philadelphia, Miss Belle Boland, Lewiston, Me., Mr. and Mrs. Everett Cummings, Woburn, Mass., the Dushnell family, Mr. and Mrs. Joseph Mullin, Miss Rose McLarney, John and Nellie Mahoney, the Misses Eliza and Della Mc-

Larney, Mr. Wm. Collins, Richard and Mary Dooley, Mr. and Mrs. A. Roode, the Fitzpatrick and Kenney families, Dr. Charles Donlon and Miss Esther Donlon, Mrs. J. F. O'Donnell, Mrs. H. Quirbach, Mrs. E. Collidge and Mrs. Julia Shanley. The bearers were John W. McKee, Andrew S. McKee, Edward A. Morris, Leon H. Mullin, Everett E. Cummings, and Henry Quirbach, all relatives of deceased. The urchers at the house and church were Mr. Eugene Quacken, and Dr. Joseph Jantzen. At the grave Rev. Fr. Burns read the prayers and the burial was in charge of Undertakers J. P. O'Donnell & Sons.

FUNERAL NOTICES

SULLIVAN.—The funeral of Mary Sullivan will take place Thursday morning from her late home at 13 Lexington street, at 11:30. High mass of requiem at St. Patrick's church at 9 o'clock. Interment will be in St. Patrick's cemetery. Funeral arrangements in charge of Undertaker Peter H. Savage.

CHASE JACK FROST OUT DEAD IN SNOWDRIFT

BACKBONE OF THE GOLD SNAP IS ABOUT TO BE BROKEN—RELIEF FROM BRITISH NORTHWEST

WASHINGTON, Feb. 17.—The backbone of the cold snap which has held the east in a grip of discomfort and suffering for the last three days, is about to be broken. The relief comes from the British northwest and in the parlance of weather sharps is known as a "depression." Pushing and rolling its bulk southward it already has caused rising temperatures in the Missouri, upper Mississippi and lower Ohio valleys and by tomorrow its warming influences will be chasing Jack Frost out to sea off the Atlantic coast.

CHASE JACK FROST OUT DEAD IN SNOWDRIFT

EDWARD TOWNSEND, EDITOR OF NASSAU COUNTY REPUBLICAN, FOUND IN FRONT OF HOME

GARDEN CITY, L. I., Feb. 17.—Edward Townsend, editor of the Nassau County Republican, was found dead in a snowdrift today in front of his home here. He had apparently become exhausted while struggling through the snowdrifts last night and had fallen just as he reached his gate. He was 58 years old and weighed nearly 300 pounds.

MURDERER HANGED

CALGARY, Alberta, Feb. 17.—William Jasper Collins, who confessed he killed John T. Benson, a farmer for whom he worked, but who later repudiated the

SENTENCED TO DEATH

CONVICTION OF LEO FRANK FOR MURDER OF 14-YEAR-OLD GIRL AFFIRMED

ATLANTA, Ga., Feb. 18.—The conviction of Leo Frank of Brooklyn, N. Y., for the murder of Mary Phagan, a 14-year-old factory girl, was affirmed today by the supreme court of Georgia. He is under sentence of death.

DIED AT AGE OF 103
COLLINSVILLE, Conn., Feb. 17.—At the age of 103 years Mrs. Kate Koptosh died last night. She was born in Russia.

HEARING TO ASSESSORS
Continued

from said board as administrative officers of the city of Lowell for the following reasons:

First: That the said removal is for the good and benefit of the public service.

Second: That without just cause, reason, permission, license or privilege, the said Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan, members of the board of assessors of the city of Lowell, have frequently absented themselves from their official duties for long periods of time.

Third: That the said Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan have been defiant in their conduct towards the commissioner of finance who is the administrative head of the department under which the board of assessors is classified in that they have not in anywise made any effort or endeavor to do that which was required of them by vote of the municipal council, a copy of which vote is hereto appended and marked "A," thereby rendering themselves guilty of insubordination.

Fourth: That without just cause or reason and perversion of facts the said Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan did wilfully and maliciously publish, or cause to be published in the public press of Lowell a statement, a copy of which is hereto appended and marked "B," such statement being made by the said Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan for the purpose of discrediting the commissioner of finance and avoiding the issue raised between the assessors' department and the municipal council; said statement having been published by said assessors with malice and prejudice towards the commissioner of finance.

Fifth: That contrary to, and in violation of the laws and ordinances of the city of Lowell, section 2 of an ordinance relating to the assessment of taxes in the city of Lowell, approved February the 25th, 1899, a copy of which is hereto appended and marked "C," the said Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan do not devote their whole time to the service of the city, but are engaged in private business of their own.

The Respondents' Answer

The mayor then read the respondents' answer to the allegation of the commissioner:

And now comes Albert J. Blazon, Jeremiah J. O'Sullivan and Daniel E. Hogan, members of the board of assessors of the city of Lowell, and the respondents named in the above entitled proposals, order and answer, deny each and every allegation, charge and particular, contained in said order and reasons therefor, and further answer as follows:

First: That they deny the allegation, charge and particular in that part of said order and reasons therefor, marked and designated as "first," and ask that the same be proven.

Second: That they deny the allegation, charge and particular in that part of said order and reasons therefor, marked and designated as "second," and ask that the same be proven.

Third: That they deny the allegation, charge and particular in that part of said order and reasons therefor, marked and designated as "third," and ask that the same be proven.

Fourth: That if it shall be shown that the said respondents have published, or caused to be published a statement, a copy of which is annexed to said order and marked "B," then the respondents deny that they published or caused to be published the same for the purpose of discrediting the commissioner of finance, or avoidance of any issue between the assessors' department and the municipal council, and further deny that the same was published with any malice or prejudice.

Fifth: That they deny the allegation, charge or particular in that part of said order and reasons therefor, marked and designated as "fifth," and ask that the same be proven.

Mr. Brown then added more to his bill of complaint and explained why he introduced the order asking for their removal.

The interests of the assessors were looked after by William A. Hogan and Albert S. Howard.

Mr. Brown who was without counsel, wanted to read into the records comments by other commissioners, the school hearing. These comments were

to the effect that the assessors were not doing their full duty. Mr. Hogan made slight objection but Mayor Murphy allowed them as part of Mr. Brown's opening, but not as evidence.

Mr. Brown then submitted a certified copy of the vote of the municipal council inviting the tax commissioner to come to Lowell for the purpose of investigating the work of the assessors in this city.

Mr. Brown then stated that they, the assessors, had not given their whole time to the city; that they had been absent without permission of the commissioner of finance, the administrative head of the assessors' office, and he read sections of the charter having to do with the assessors.

He also read the assessors' letter to him in which they stated that Mr. Brown was not honest in his intentions and was looking for advertising for political purposes.

He then asked that City Auditor Paige and Clerk Tuttle of the street department office be sworn and the city clerk administered the oath.

Mr. Paige was the first witness and Com. Brown proceeded to interrogate him.

"A statement has been made by the press and the assessors that the commissioner of finance has been responsible, within the last two years, for an increase of 4% in the tax rate. Is that true?" asked Mr. Brown.

Mr. Paige answered that the amount was four or five cents, not 47 cents.

Mr. Brown asked the auditor how much of the \$34,500 spoken of by the assessors was for lighting and Mr. Paige answered that the amount for lighting was between \$17,000 and \$18,000. Mr. Paige said that about \$2,000 of the remaining \$16,000 and odd of the \$34,500 was used to pay 1911 street department bills.

In reply to further questions by Mr. Brown, Mr. Paige said that the amount allowed the finance department in 1912 was not sufficient to carry the department through the year and an additional appropriation of \$6,000 was allowed.

This testimony was objected to, in part, by Mr. Hogan for the defense, and the objection was sustained. Mr. Brown asked other questions having to do with appropriations and they, too, were objected to, and the objection sustained.

Mr. Howard Queries

Mr. Howard, of counsel for the respondents, cross-examined Mr. Paige with particular reference as to his statement relative to the increase of the tax rate. Mr. Brown objected to questions covering a number of years, on the ground that he had not been allowed to hark back beyond 1912, but the mayor allowed the questions.

Other objections were offered by Mr. Brown, and the mayor told him that the hearing would go along legal lines, and to this Mr. Brown said he wanted the leeway due him as a member of the municipal council.

Mr. Howard tried to get Mr. Paige to say what \$40,000 a year would mean on the tax rate and after the question had been submitted in various ways, Mr. Paige said it would be equivalent to an increase of between 40 and 50 cents a year.

"Did Commissioner Brown in 1913 increase any one in his office?" asked Mr. Howard.

"Most of the increases came over from 1912," said Mr. Paige. He said there were two increases made in 1913.

"Who made those two increases?" asked Mr. Howard.

"Mr. Brown," replied Mr. Paige.

"In what department were these increases made?"

"In the purchasing agent's department,"

Mr. Howard asked Mr. Paige if the men in the registrars of voters' office were kept continuously employed during the year 1913, and Mr. Paige said that to the best of his knowledge they were—sometimes two and sometimes three assistants. He did not know if that was so in 1912.

"If those services were required," asked Mr. Howard.

"I do not," said Mr. Paige.

"Is there anything in the office of the registrars of voters that would require the continuous service of three assistants?"

"You will have to ask the commissioner of finance, I don't know much about that office."

In reply to Com. Brown, Mr. Paige said that the expense of the department of the commissioner of finance in 1913 was \$194,100 more than in 1912.

"Assuming that the city of Lowell had borrowed \$34,000 at the beginning of the year 1913," said Mr. Brown, "how much would that have increased the tax rate?"

"If it was free cash it would not have increased the tax rate," said Mr. Paige.

Mr. Tuttle Called

Clinton P. Tuttle, clerk in the office of the department of streets and highways, was the next witness.

Mr. Brown asked him several questions having to do with street department appropriations, in 1912 and 1913, corroborative testimony, and Mr. Brown then submitted as exhibit, a copy of the report of the commissioner of finance for 1912.

Mr. Hogan objected to the admission of the report, and Mr. Brown said he wanted to have it admitted in order to make things plain and for the benefit of the municipal council and others interested in the hearing.

By request of Mr. Brown, City Clerk Flynn read the last order of \$34,600 for the purpose of paying street department bills for 1912.

Mr. Brown then asked Assessor Blazon to testify and Mr. Howard, as counsel for Mr. Brown, asked him to say to Mr. Brown to prove his charges other than by putting the respondents on the stand and examining them.

"This is merely a hearing," said Mr. Brown, "and the assessors, as subordinate officers, must submit to an examination. I do not see why the assessors should be shielded by learned

counsel when I want to question them."

Mr. Howard: "Our objection to this method of procedure is not because we fear that the respondents will incriminate themselves, but Mr. Brown has seen fit to bring certain charges, but he does not, for instance, specify when these gentlemen have absented themselves from their office for long periods of time, and he should be made to prove his statements out of the mouths of other men; not out of the mouths of the defendants. It seems to me that Mr. Brown is on a fishing expedition here."

"These witnesses have not been summoned here by any process to testify. They will be very willing to testify later in this case, but they ought not to be asked to do so at this time."

Mr. Brown: "For the benefit of the whole council I want to examine the

PUTNAM & SON CO.

166 Central Street

Tomorrow, Wednesday Morning, at 8 O'Clock,

We Hold Our Annual Clearance Sale of Fine

SUITS for 12.50

This Is the Sale to Which
Hundreds of Men Look Forward.

THE ONE SALE AND THE ONLY SALE

Of the whole year in which you have a chance to buy our fine suits for \$12.50.

It Will Be a Big One This Time.

These overcoats sold for \$15, \$18, \$20 and \$23—all into one lot to close for.....

\$12.50

counsel when I want to question them."

Mr. Howard: "Our objection to this method of procedure is not because we fear that the respondents will incriminate themselves, but Mr. Brown has seen fit to bring certain charges, but he does not, for instance, specify when these gentlemen have absented themselves from their office for long periods of time, and he should be made to prove his statements out of the mouths of other men; not out of the mouths of the defendants. It seems to me that Mr. Brown is on a fishing expedition here."

"These witnesses have not been summoned here by any process to testify. They will be very willing to testify later in this case, but they ought not to be asked to do so at this time."

Mr. Brown: "For the benefit of the whole council I want to examine the

assessors, and if they refuse to appear

it will look very much as if they are guilty of the charges preferred against them. I am not fishing. I am looking for the truth. I want to ascertain if the assessors are guilty or not guilty of the charges responsible for this hearing. This is not a criminal procedure."

The mayor ruled that it was optional with the assessors as to whether they would or would not testify.

Mr. Brown then read from the 1914 directory to show that the assessors had business other than that of the business connected with the assessors' office, all of which was ordered stricken out by the mayor. He also introduced the telephone book and records of calls in court in which one or more of the defendants were engaged. He also submitted copies of insurance

policies bearing the name of one of the

defendants, Mr. Hogan, and these were all ruled out.

He further read from a newspaper clipping showing that one of the defendants, Mr. O'Sullivan, was in Washington, absent from his duties as assessor, without leave of absence.

This, too, was excluded as were the others for the time being.

Mr. Brown then asked for a continuance for the purpose of giving him an opportunity to bring in evidence relative to inequitable distribution of taxes.

Mr. Hogan objected to a continuance and the mayor submitted the question to the council.

Mr. Brown moved adjournment till Tuesday next at 11 a. m. and Commissioner Carmichael seconded the motion. The date was changed to Wednesday, Feb. 25, at 11 a. m., and the hearing will be resumed at that time.

For the purpose of allowing Mr. Brown opportunity to make a motion the council re-convened and the commissioner moved that the city solicitor be instructed to assist him (Brown) in the further preparation of his case. The council did not take a vote, but the mayor said he would ask the city solicitor to extend to Mr. Brown the necessary assistance, and the council then adjourned to tomorrow night at 8 o'clock.

ceased until a few weeks before her

death, when she, Mrs. Arvidson, went to live with some friends at Brookside. He said that at one time a Mrs. Stromberg told Mrs. Arvidson that she had made out an application to have her sent to an insane asylum in Worcester, and that he had asked Dr. F. Leon Gage to sign the certificate. He told of several instances which made him believe that the woman's mind was not in a sound condition at the time of her death.

Dr. Gage testified that he attended Mrs. Arvidson during her sickness and ordered her to be sent to an asylum or home because there were no facilities at her home to properly take care of her. He said her mental condition was not good during her illness. Dr. Bonner also testified that the woman's mind was not in a sound condition. The petition was brought through the office of McIntire and Wilson. The judge took the matter under consideration.

Mrs. Susan E. Fletcher of 704 Bridge street entered a claim on the estate of her brother, Albert W. Danforth, who lived at 831 Bridge street, for a sum of money which she claims is due her for services as housekeeper, etc. Mrs. Fletcher said that while her brother took a trip to China she cared for his children and also spent considerable money for repairs on property owned by him in this city. She stated that she occupied the property for some time and did not rent for it. William A. Bent appeared for Mrs. Fletcher and Judge F. A. Plimpton for the estate.

A hearing was also given on the will of Jerome Gookin, formerly of Lowell. It is claimed that after Mr. Gookin made his will he requested a change which gave his niece, Helen Livingston, \$3000 additional. Several persons testified to witnessing the late Mr. Gookin sign the will at the home of John P. Bateman of 39 Robbins street, who had charge of making out the form. The case was tried by McIntire & Wilson and Judge John J. Pickman.

Uncontested Session

The following wills were allowed by Judge Lawton in the uncontested session: Ellen McAneny, Jarvis Wood, Elizabeth Latham and Mary Cunningham, all of Lowell.

Administrations were granted on the following estates: James J. McGuire, Lowell; Elizabeth Kay, Dracut; Edwin Hovey, Dracut; Ann Kearns, Lowell; Mary Kearns, Lowell.

John Snow of South Chelmsford was the first witness called and he testified to making out the will for Mrs. Arvidson in June, 1913. He also said that about five months later Mrs. Arvidson sent for him and told him to tear up the will, and he did so.

John Johnson, who according to the will, was the only heir to the property, testified that he had lived with the de-

ceased until a few weeks before her death, when she, Mrs. Arvidson, went to live with some friends at Brookside. He said that at one time a Mrs. Stromberg told Mrs. Arvidson that she had made out an application to have her sent to an insane asylum in Worcester, and that he had asked Dr. F. Leon Gage to sign the certificate. He told of several instances which made him believe that the woman's mind was not in a sound condition at the time of her death.

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me.—"I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my housework. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial."—Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manston, Wis.—"At the Change of Life I suffered with pains in my back and legs until I could not stand. I also had night-sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me, the night-sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since."—Mrs. M. J. BROWNELL, Manston, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases. All our testimonials are guaranteed genuine and truthful. They came to us entirely unsolicited and are sincere expressions of gratitude for actual benefits received from the medicine.

NEW YEAR HOLIDAY BILL

Passed by the House by Large Majority—Other Measures Under Discussion

Representative Henry Achin, Jr., of this city made such a convincing argument yesterday in favor of his bill to make New Year's day a legal holiday that the lower branch of the legislature voted overwhelmingly in its favor. There was strong and determined opposition in some quarters, but Rep. Achin carried all opposition before him.

The leader of the opposition was Rep. Robert M. Washburn of Worcester who said that the bill is opposed to the best interests of business and that the time is coming when a halt may be called on the creation of holidays. The ruling was to honor patriots in the future said Mr. Washburn will be to celebrate their anniversaries by working.

In answering Mr. Washburn, Mr. Achin said that the bill is supported by more than 90 per cent. of his constituents. He regretted he said, that the question of nationality had been raised, but he reminded the members of the house that such a question was not raised in the days of Rochambeau and Lafayette. He then presented many arguments showing the appropriateness of making New Year's day a legal holiday. After a roll call the bill passed the house, 135 to 76.

Newspaper Sales

The bill to prevent the appointment of exclusive news dealer agents was reported by the committee on bills in third reading as unconstitutional and ought not to pass. Mr. McGue of Lynn declared the bill is unconstitutional and when Haines of Medford asked if he was willing to take the opinion of the attorney general, Mr. McGue contended that the matter was one to be decided by the supreme court.

Metropolitan Affairs

The committee on metropolitan affairs reported adversely to the following legislation: Additional appropriation for dredging by the Metropolitan Park commission of the Charles river basin; to complete improvements on the southerly bank of the Charles river and for a driveway between Brighton, Watertown and Newton; that Brookline be made a part of Suffolk county; to repair and relocate a part of the county road in the Nantasket beach reservation; to complete the Nantasket beach reservation and improve Strat's pond in Hull and Cohasset; that the rivers flowing into Boston harbor be included in the plans for developing the port; recommending the incorporation of the directors of the port of Boston; to improve navigation in Pleasure bay in Boston harbor; that the directors of the port of Boston report on navigation facilities in Dorchester bay; for dredging an anchorage basin in Dorchester bay; for dredging the channel in the old harbor.

Webster of Roxford and Collins of Cambridge desired to be recorded as opposed to the resolutions memorializing congress that the Massachusetts legislature is opposed to the passage of the so-called immigration bill. Mr. Carey, author of the resolutions moved to have the matter recommended to the committee and it was carried by a voice vote.

Webster of Roxford and Collins of Cambridge desired to be recorded as opposed to the resolutions memorializing congress that the Massachusetts legislature is opposed to the passage of the so-called immigration bill. Mr. Carey, author of the resolutions moved to have the matter recommended to the committee and it was carried by a voice vote.

THE Y. M. C. A. LEAGUE

IRROQUOIS TEAM STILL LEADING AND LIKELY TO FINISH FIRST—FIVE TIED FOR HONORS

The Y. M. C. A. leaguers have rolled away two-thirds of their season up to date and the Irroquois bowlers are still in the van. Their lead is a substantial one and it does not seem probable that they will be overtaken before the windup of the league season. The Pawtucket and Coosaukees follow in the order named. Callahan, Kirby, Beauregard, Bowen and Grant are all tied for premier individual honors with an average of 92. The standings in detail:

Irroquois	Won	Lost	P.C.
Pawtucket	23	14	77.0
Coosaukees	21	15	71.1
Famosets	21	21	59.3
Slough	21	21	59.3
Nonhegans	21	21	59.3
Wannanets	21	21	59.3
Nabnassetts	21	21	59.3

Individual averages: Callahan 92, Beauregard 92, Kirby 92, Bowen 92, Grant 92, Taylor 81, McGee 80, Johnson 80, Atkinson 80, Kittredge 80, Dow 80, Keough 80, Dooley 80, Johnson 80, Grant 80, Seede 80, Pearson 80, Pead 80, Smith 80, Beauregard 80, Proctor 80, Greenough 80, Couture 80, Wilton 80, Benoit 80, Wrenn 80, Knight 80, Dulligan 80, Mulaniff 80, Inglis 80, Willis 80, Callahan 80.

FUNERAL NOTICES

PARKER—Died Feb. 15 in this city. Mrs. Sarah E. Parker, aged 60 years, at her home, 49 Pine street. She is survived by one son, Willard A. Parker and a sister, Mrs. F. W. S. Daly. Funeral services will be held at 49 Pine street Thursday afternoon at 2 o'clock. Friends are invited without further notice. Burial private. The funeral arrangements are in charge of Undertaker Geo. W. Healey.

MURRINGHAM—The funeral of the late John Murningham will take place on Friday morning from his late home, 11 B street. Funeral services will be held at 11 B street. Margaret's church. The time will be announced later. Burial will be in St. Patrick's cemetery. Undertakers M. H. McDonough Sons in charge.

NAAN—The funeral of the late Mrs. Joseph Naan will take place on Wednesday morning at 8 o'clock from the home of her daughter, Mrs. William Buckley, 35 Royal street. Funeral services will be held at 3 o'clock in St. Patrick's church. Burial will be in St. Patrick's cemetery. Undertakers M. H. McDonough Sons in charge.

HAMILTONS LOST

Beaten by Tremont and Suffolk Rollers—Quiet Night on Alleys

The Tremont and Suffolk team and the Hamilton five rolled it out last night in the Manufacturers' league, the former being returned the winner by the score of 1321 to 1273. McDermott of the winners rolled the highest total.

The Y. M. C. A. alleys were the scene of some bowling last night when two seven-man teams, the Washingtons and the Lincolns, went at each other with the duck pins. The Washingtons won the match by over a hundred pins. A Doyle of the winners rolled the highest total, while Marren of the losers put over the high string of 117.

The Netherwoods lost their bowling match with the Velvet Dept. team of the Merrimack Co. by the close decision of four pins. 1238 to 1234 was the final score although the Netherwoods made a great finish in their last string. Maguire was high man. The score:

T. & S. vs. Hamiltons
Hamilton—Van Zant 248, A. Mosher 258, Paul 258, Devaney 260, Hudson 249; total, 1273.

T. & S.—Gray 251, Manning 261, Jodoin 264, Whalen 272, McDermott 273; total, 1321.

Y. M. C. A. Alleys
Washingtons—P. Farrell 250, O'Shea 238, Lyons 248, Kenedick 229, Shields 250, Allen 271, A. Doyle 291; total, 1867.

Lincolns—T. Clark 274, Linclan 235, Lepper 225, Curtin 229, Bloddeau 235, McGilley 237, Marren 287; total, 1733.

Velvets vs. Netherwoods
Velvet Dept.—Holmes 243, Inglis 236, Maguire 270, Demarais 233, Gilflint 237; totals, 1238.

Netherwoods—Ericson 256, Linderquist 240, Ellis 259, Clough 239, McElroy 240; total, 1234.

SHARKS BEATLY

New Y. M. C. A. Basketball League in Full Swing—Whales Were Easy Winners

The Whales defeated the Sharks in the newly formed senior basketball league at the Y. M. C. A. last night by the score of 28 to 18. Koraek, McCord and Newcomb furnished the features. The summary:

WHALES
Koraek, rf
Laporte, lf
Newcomb, c
McCord, lg
Polley, rg

SHARKS
lg, Dil Legrulin
rg, Phil Caput
c, Sweeney
rf, Curley
lf, Trudeau

Score: Whales, 28; Sharks, 18. Baskets from floor: Koraek 6, Newcomb 5, McCord 3, Laporte 2, Curley 3, Trudeau 3, Sweeney 2. Referee: Wicket, scorer, Doole; timer, Hartigan. Time: Two 15-minute periods.

Lawrence athletes. Coach Sidley of the down river aggregation had a word of commendation for the Boston man as he was leaving the hall and Faculty Manager Woodward also expressed himself as highly pleased with the businesslike manner in which O'Brien shot the boys off their mark. It was a hard position for any man to fill with two such rivals as Lowell and Lawrence and so much depending upon the start of each race.

COMPANY M WON

Took All Points From Co. C Last Night in Games at Armory

The athletes from Co. M walked away with all 12 points in their games with Company C at the armory last night. Basketball, shooting and bowling were, as usual, the branches of sport engaged in by the militia.

The basketball game was a close affair. From the first sound of the referee's whistle both teams were in action and fought all the way along until the close of the last period. The final score, 25 to 23, showed that the two aggregations were very evenly matched. Hurley of the losers caged the ball seven times and Brennan of Co. M connected with the net for five clean baskets.

In the shooting gallery but 4 points separated the two teams of marksmen at the conclusion of this event; 303 to 294 was the final score, one of the closest affairs of its kind on record at the local armory. Lieut. Christian with 82 was high.

The C bowlers did not appear on the alleys last night and, under the rules of the armory athletic tournament, the scheduled game was awarded to M. The scores and summaries for the shoot and basketball game are as follows:

Shoot
COMPANY M
Cook Kirk 72
Munroe Callahan 58
Sergt. Coleman 58
Corp. Erickson 58
Lieut. Christian 82
Total 303

COMPANY C
Sergt. Benoit 59
Cap. Patton 52
Musidan Nault 52
Private Weiss 61
Private McGarr 66
Totals 294

Basketball
COMPANY M
Wallace rf
Brennan lf
Trainer c
McDermott rf
Gleason lb

COMPANY C
lb Powers
rf Wier
c Hanson, Ready
lf Angus
rf Hurley

Score: C 25, M 23. Fouls: C, 9; M, 15. Baskets: Hurley 7, Brennan 5, Gleason 3, Angus 3, Wallace 2. Referee, Wilson. Timers, Abbott and Greeley. Scorer, Crowell.

FACTORY LEAGUE

Buntings Now in First Place With T. & S. Downers in Number-up Position

The U. S. Bunting rollers now lead the Manufacturers' league with the Tremont and Suffolk team reduced to second place. Two games separate these two teams. Chouinard leads the league in individual scores with an average of 97. The standings in detail:

TEAM STANDING
Teams U. S. Buntings 15 Won, 6, 71.4
Tremont & Suffolk 14 7 65.7
Merrimack 11 10 52.4

WANTED

200 BUSINESS MEN

TO DONATE \$25.00 EACH TO THE PLAYGROUNDS AND PARK FUNDS

Business is not as good as it might be, but we were not always business men.

The Lowell Trust Company has kindly given its services and will receive subscriptions, the money received to be expended under the supervision of His Honor, the Mayor, the Commissioner of Public Property, Board of Park Commissioners, Supt. of Schools and Supt. of Parks, for playgrounds in the Highlands, Centralville, Pawtucketville, Belvidere, flats, and to improve the playgrounds in the North and South Common and Little Canada.

Make checks payable to Playground Fund.
HENRY F. CARR,
Park Commissioner.

FUNERAL OF SEN. BACON

Simple Services Over Body of Georgian Statesman in Senate Chamber Today

WASHINGTON, Feb. 17.—Funeral services for Senator Bacon of Georgia were held today in the senate chamber. There were no speeches of eulogy, no music and no flowers, except one piece designed as the tribute of the senate itself, which rested on the coffin.

Two hours before the body was taken into the senate chamber it lay in the adjoining marble room.

Seats upon the floor were reserved for the president of the United States, members of his cabinet, the chief justice and associate justices of the supreme court, members of the diplomatic corps, members of the house of representatives, the admiral of the navy, the chief of staff of the army and the regent and secretary of the Smithsonian Institution. Members of the dead senator's family and the officiating clergymen remained in the vice president's room, until all was ready for the senate obsequies.

Admission to the galleries was by card, extended only to the members of the house and the more intimate friends of the dead statesman. One gallery was reserved for the use of those invited by the president and vice president.

Vice President Spoke
When Vice President Marshall had called the senate to order he said in a voice full of feeling and lowered almost to a whisper.

"Senators, the hour has arrived in which in accordance with the orders of the senate the final ceremonies over the body of Augustus Octavius Bacon, late a senator from Georgia and an unusually distinguished member of this body, are to be observed. In conformity to custom and in token of our common

faith, the chaplain of the senate will offer a prayer to God the Father, God the Redeemer and God the Comforter. The Rev. Forest J. Prettyman, chaplain of the senate, offered prayer. The Episcopal burial service was pronounced by Bishop Alfred Harding of the Protestant Episcopal church and a benediction followed by the chaplain. After the lapse of probably a minute the vice president spoke again:

"Into the loving hands of the committee on congress and the officers of the senate," he said, "we consign the mortal body of our well-beloved senator to be conveyed to his home in the state of Georgia, there to be deposited in its final resting place. May his labors in the cause of constitutional liberty long bless the republic."

Members of the capitol police force bore the body back to the marble room where it remained until escorted to the railway station for the journey to Atlanta where it will lie in state at the Georgia capitol until taken to Macon for interment.

The funeral party that accompanied the body south included the committees appointed by the two houses of congress.

President Not at Services
It was announced at the White House almost at the last moment that

THE SUN CLASSIFIED ADVERTISEMENTS

TO LET
6-ROOM COTTAGE TO LET, 4 Woodville court, off School st., rent reasonable. Telephone 11-5. Billerica, or address S87, Sun Office.
